DEPARTMENT OF CIVIL ENGINEERING

CIRCULAR

Date: 07-09-2026

On the occasion of '**Engineers day**' varadhi club of Civil Engineering Department is going to organize the following competitions on Thursday, **10-09-2026.**
All interested students are requested to participate in the events and make the occasion a grand success.

Event Details
Event Name: Drawing Competition and Poster Presentation
Themes:

- Engineering Sustainable future
- Impact of Technology on Environmental
- Modern Irrigation Techniques for tomorrow

Faculty co-ordinate
M. Karthik Kumar -Asst Professor
J. Eeshwar Ram - Asst Professor

Student co-ordinates
Y.krishore -8522931849
S. Jashuva-6281644482
T.Pushpa-6304640668
Ch.Baby Kumali-9030844999

Date: Thursday, 10-09-2026
Venue: Mechanical Drawing hall - Drawing competition
Time: 10: 00 am to 12:00pm
Poster presentation - Engineering Geology lab
Time: 1: 30 pm to 3:00pm

REPORT ON ENGINEERS' DAY CELEBRATIONS AND IE(I) STUDENT CHAPTER, MYLAVARAM

Name of the Faculty co-ordinate: 1.Mr. J. Eeshwar ram – Sr. Assistant Professor
2. Mr. Karthik Kumar M – Assistant Professor

Name of the Student Co-ordinate: 1. Y. Kishore 2.S. Jashuva
3.T. Pushpa 4. Ch. Baby Komail

No. of Student participate: 108

Engineers' Day was celebrated on 15 September with great enthusiasm and active participation from the Principal, Head of the Department (HOD), faculty members, and students. The event was organized to commemorate the birth anniversary of **Sir Mokshagundam Visvesvaraya,** a renowned Indian engineer whose contributions to engineering and nation-building continue to inspire generations of engineers. The celebration aimed to create awareness among students about the importance of engineering, encourage technical creativity, and motivate them to contribute to society through innovation and technological development.

The principal emphasized the importance of technical knowledge, practical skills, creativity, discipline, and teamwork in shaping successful engineering professionals. The principal also encouraged students to explore new ideas, develop problem-solving abilities, and actively participate in technical and co-curricular activities. The address inspired students to understand their responsibilities as future engineers and to use their knowledge for the benefit of society.

The HOD and faculty members also encouraged students to enhance their technical competencies, improve their presentation skills, and develop innovative thinking. They highlighted the importance of combining theoretical knowledge with practical applications to meet the challenges of the engineering profession.

1. Created awareness among students about the contributions of engineers to society and national development.
2. Encouraged students to develop innovative ideas and creative thinking.
3. Improved students' presentation, communication, and artistic skills.
4. Provided a platform for students to showcase their talents through poster presentation and drawing competitions.
5. Motivated students to participate actively in technical and extracurricular activities.
