MASTER OF BUSINESS ADMINISTRATION

Report on Home First - Industry expert talk- Knowledge Sharing Session on Career Opportunities

Event Name	**Home First-Knowledge Sharing Session on Career Opportunities**
Event type	Industry expert talk
Date /duration	1 day (09.09.2026)
Resources Person	Ms. Sharmistha Sharma
Name of the co-ordinators	Mr. B. Kalyan Kumar, Assistant Professor
Target Audience	MBA II Year students
Total no of students	118
About the event	The MBA Department organized a Knowledge Sharing Session on Career Opportunities in association with Home First. The session was delivered by Ms. Sharmistha Sharma, who shared valuable insights on emerging career paths, industry expectations, skill development, and opportunities available for management graduates in the corporate sector. The interactive session helped students understand current industry trends and prepare themselves for successful careers.
Objective of the event	1. To create awareness among students about diverse career opportunities available in the corporate world. 2. To provide insights into industry expectations and recruitment practices. 3. To guide students on skill enhancement and career planning. 4. To bridge the gap between academic learning and industry requirements.
Outcome of the Event	Students gained a better understanding of career opportunities in various sectors and the competencies required to succeed in the job market. The session enhanced their awareness of professional growth avenues, encouraged continuous skill development, and motivated them to plan their careers strategically.
Feed back	The feedback received from the participants was highly positive. Students appreciated the practical insights, industry-oriented examples, and career guidance provided by the resource person. They found the session informative, engaging, and beneficial for their professional development.
Linkage with Sustainable Development Goals (SDGs):	**SDG 4 – Quality Education:** The session promoted lifelong learning opportunities and career readiness by providing industry knowledge and professional guidance to students. **SDG 8 – Decent Work and Economic Growth:** The program enhanced students' employability skills and awareness of career opportunities, contributing to productive employment and sustainable economic growth.
