Report

A 3-Day faculty development programme on Engineering Drawing using AutoCAD was organized for Civil, Aerospace and Mechanical Engineering faculty in LBRCE by Civil Engineering Department during 13th – 15th November, 2014.

The resource persons delivered concepts of AutoCAD and its application to Engineering Graphics. The participants applied the knowledge to draw projection of lines, solids, orthographic projections and isometric projections using AutoCAD. Fundamentals of Engineering drawing are essential in visualizing, developing and drawing the objects without any difficulty. The faculty members were exposed to the basics of Engineering Drawing using AutoCAD with hands-on practice and interactive sessions.
