Report:-

The Efftronics Systems Pvt.Ltd ., responded on 29th July 2025 for the request to visit on 25th April 2025. The students of I B.Tech from B Section with a total strength of 50 students have been permitted to visit their respective departments to learn about various products and projects happening in the industry. On the day of the visit at the venue the HR Manager, took an induction programme to give exploration about the products and services offered by the industry with the history of incorporation.

The manufacturing department with various products related to the railway, sensors etc., have shared their knowledge with the students for an hour of demonstration of the products and peripherals. The Analytics department has explained the power of POWER-BI and the projects handled by Efftronics to give a powerful dashboard to monitor the smart infrastructure and water resources across the city and to other clients.

After various departments visit, the students were served with tea and snacks along with the knowledge of placements and career opportunities provided by Efftronics Systems Pvt.Ltd.,

The LBRCE(A), has provided the free bus facility to have a safe and successful visit.
