MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this Date 27th day of December, Two Thousand Twenty-Five (27.12.2025).

BETWEEN

Infigract Technologies LLP, Address: 201, 3rd Floor, Brand Mart Building, Basava nagara Mn Road, Basava Nagar, Bengaluru -560037, and represented herein by Mrs. Sailaja Bathina, Founding Director and Operations Head (hereinafter referred to as "First Party").

AND

Department of Electrical and Electronics Engineering, Lakireddy Bali Reddy College of Engineering (Autonomous), Mylavaram, represented herein by Dr. K. Appa Rao, Principal (hereinafter referred as "Second Party").

WHEREAS:

A) **Infigrace Technologies LLP, 201, 3rd Floor, Brand Mart Building, Basava nagara Main Road, Basava Nagar, Bengaluru -560037.** Infigrace Technologies LLP is based in Bengaluru. The vision of Infigrace Technologies is to become a global leader in Product Design, Development, and Design Services by adopting the relevant current technology and establishing a state-of-the-art lab infrastructure. Infigrace aims to become a one-stop solution to global customers for product development and engineering through innovation and technology. The team Infigrace comes with several years of industry experience and comprises a highly motivated set of specialists. Infigrace is an experienced, dedicated, and energetic team, conscious of the market and customer requirements. Our expertise: Product Design Consultancy, Software Development, Reliability and Quality Assessments, Third-Party Design Reviews, and Product Failure Analysis and Root Cause Analysis. Infigrace offers services to application industries such as Solar & Wind Power conversion, Electric Vehicle Chargers & Charging Stations, Home comfort solutions, Power Converters, LED Solutions, IoT enabled smart devices.

B) Second Party is a Higher Educational Institution department named: The department of Electrical and Electronics Engineering. Since its inception in 1998, the department has been actively engaged in teaching and research in diverse fields of Electrical and Electronics Engineering. The department offers B. Tech in EEE and M. Tech in Power Electronics and Drives programmes. All its programmes are approved by AICTE, New Delhi. The department is strong with 11 faculty members holding Ph.D. degrees and expertise in various fields. Initially B. Tech program was started with an intake of 40 in 1998 and subsequently increased to 120 in the year 2012. M. Tech (PE & D) program was started in the year 2011 with an intake of 18 students. The department of EEE has adequate and well-qualified faculties spanning all major areas of Electrical Engineering like Power Systems, Power Electronics, Control Systems, Energy Systems, High Voltage Engineering etc.

Vision-EEE Department

To contribute to the country and the world through technical education, research and consultancy in Electrical and Electronics Engineering.

Mission-EEE Department

1. To provide broad based education in Electrical and Electronics Engineering.
2. To keep the curriculum industry friendly.
3. To undertake sponsored research and provide consultancy services in industrial, educational and society relevant areas in Electrical and Electronics Engineering.
4. To promote ethical and moral values among the students so as to make them emerge as responsible professionals

To establish partnership between Institution & Industry.

C) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources and provide each of them with enhanced opportunities.

D) The Parties intent to cooperate and focus their efforts on cooperation within area of Research, Curriculum Design, Training, Industrial visits, organizing guest lectures and faculty Development programs.

E) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1: CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish a channel of communication and co-operation that will promote and advance their respective operations within the Institutions and its related wings. The Parties shall keep each other informed of potential opportunities and shall share information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the First Party providing significant inputs to the Second Party in developing suitable teaching / training systems, keeping in mind the needs of the industry.

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds, and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2: SCOPE OF THE MoU

2.1 The budding graduates from the institutions could play a key role in technological upgradation, innovation, and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

2.2 **Curriculum Design:** First Party will give valuable inputs to the Second Party in the development of industry ready curriculum so that the students fit into the industrial scenario meaningfully.

2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the First Party permitting the Faculty and Students of the Second Party to visit its group of companies and involve in Industrial Training Programs. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The minimum strength of students (not less than 30 members) for conducting Industrial Training as and when on mutually agreed dates should be maintained

2.4 **Internships for Students:** First Party will actively engage to help the delivery of the Internship for students of the Second Party as per AICTE internship Policy. The First Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.

2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the respective fields of **First Party**.

2.6 **Guest Lectures:** First Party to extend the necessary support to deliver guest lecturers to the students of the Second Party on the technology trends and in-house requirements.

- 2.7 **Faculty Development Programs:** First Party to train the Faculties of Second Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.8 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.
- 2.9 There is no financial commitment on the part of the Lakireddy Bali Reddy College of Engineering, the Second Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately with the concern of both parties.

CLAUSE 3: INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppels or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property of the other Party.
- 3.2 The "joint projects" intellectual property rights shall belong to both parties.

CLAUSE 4 VALIDITY

- 4.1 This Agreement will be valid for **Three years** from the date both the signatures are affixed to this document, during which period **Infigrace Technologies LLP**, Address: 201, 3rd Floor, Brand Mart Building, Basava nagara Main Road, Basava Nagar, Bengaluru - 560037 the First Party, will take effective steps for implementation of this MoU. Any act on the part of **Infigrace Technologies LLP**, the First Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU.
- 4.2 Both Parties may terminate this MOU upon 45 calendar days' notice in writing. In the event of Termination, both parties must discharge their obligations.
- 4.3 In the event of termination of MoU, for whatever reason, ongoing activity shall continue till its logical end.

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MoU as independent contractors, and the relationship established under this MoU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MoU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

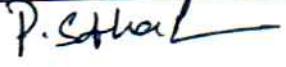

5.2 Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of Bengaluru.

SIGNED IN DUPLICATE

This MoU is executed in duplicate with each copy being an official version of the agreement and having equal legal validity.

By signing below, the parties, acting by their duly authorized officers, have caused this Memorandum of understanding to be executed, effective as of the day and year first above written.
