Event Type : Online Quiz

Date : 01/10/2020.

Name of Coordinators: MRS.K.N.V.LAKSHMI & MRS.G.VIJAYA LAKSHMI

Target Respondents : Engineering students, Engineering Graduates, Post Graduates, and Faculty of various disciplines.

Total no of Participants: 343.

Objective of the event: The objective of this online Quiz on "Engineering Mathematics I" is to test one's own understanding and knowledge in the fundamental concepts of Engineering mathematics.

Outcome of event : Participants can assess their knowledge in the basic concepts of Engineering mathematics which is essential for all Engineering, other Graduation and Post-Graduation programmes.

Description/Report on Event: The event, National level E-quiz on "Engineering mathematics" has organised by Freshman Engineering Department (FED), Lakireddy Bali Reddy College of Engineering, Mylavaram, on 01/10/2020 and the responses are accepted for ten days. This online quiz was conducted with the help of Google forms and communicated through mail and mobile app WhatsApp. It comprises of 20 questions and 5 points allotted for each correct response. The respondents can view their score after submitting their form. Online certificates were issued for those who secured 40% and above score. A total of 343 responses were received from various institutions nationwide. Majority of the participants are students from various disciplines, some are faculty and a few are others. The quiz has proven to be very informative for improving their knowledge in the area of Engineering mathematics.

Feedback / Suggestions:

1. Very useful for those attending competitive exams and job interviews.

2. Need to conduct more number of quizzes in future.
