REPORT ON "ONLINE QUIZ ON PROBABILITY & STATISTICS"

Event Type : Online Quiz
Date : 15.09.2020.
Name of Coordinators : Dr .K.R.KAVITHA & M.RAMI REDDY.
Target Respondents : Engineering Graduates, Post Graduates, and Faculty of various disciplines.

Total no of Participants: 177.

Objective of the event: The intention of this online Quiz on "Probability and Statistics" is to evaluate one's own understanding and knowledge in the fundamental concepts of probability and statistics.

Outcome of event : Participants can assess their knowledge in the basic concepts of Probability and Statistics which is essential for all Engineering and other Graduation and Post-Graduation programmes.

Description/Report on Event: Freshman Engineering Department(FED), Lakireddy Bali Reddy College of Engineering, Mylavaram, has organized the online quiz on "Probability & Statistics" on 15.09.2020 and the responses are accepted for one week. This online quiz was conducted with the help of Google forms and communicated through mail and mobile WhatsApp. It comprises of 20 questions and 5 points allotted for each correct response. The respondents can view their score after submitting their form. Online certificates were issued for those who secured 40% and above score. A total of 177 responses were received from various institutions nationwide. Majority of the participants are students from various disciplines, some are faculty and a few are others. The quiz has proven to be very informative for improving their knowledge in the area of Probability and Statistics.

Feedback / Suggestions:

1. Very useful for those attending competitive exams and job interviews.
2. Need to conduct more number of quizzes in future.
