Dear Sir,

I request you to consider and implement the following suggestions for the issues going to discuss in 6th Academic Council being held today i.e 13.07.2015.

Item (i):

For Autonomous Colleges, as per the existing academic regulations (2010-11 batch onwards) "*A student shall be promoted from III year to IV year if he /she fulfills the academic requirements of 50% of the credits up to III year I Semester from all the examinations, whether or not the candidate takes the examinations and secures prescribed minimum attendance in III year II Semester*".

For Autonomous Colleges, as per the existing academic regulations (2010-11 batch onwards) "*A student shall be promoted from II year to III year if he /she fulfills the academic requirements of 50% of the credits up to II year I Semester from all the examinations, whether or not the candidate takes the examinations and secures prescribed minimum attendance in II year II Semester*".

There are 13 Autonomous colleges (12 Affiliated and 01 Constituent) in jurisdiction of JNTUK, Kakinada. In all these 13 colleges the above mentioned academic regulations are implemented in toto. Hence, relaxation in 50% of the credits is not advisable / permitted in the welfare of your own institute and also the University.

Item (ii):

Improvement of sessional (Internal) marks is permitted from the University end only for PG programs i.e M.Tech / M. Pharmacy / MBA and MCA programs. Since improvement of sessional marks is not permitted for UG (B.Tech / B. Pharmacy) students as per academic regulations in force, this facility of improvement of sessional marks can not be introduced in Affiliated Autonomous Colleges.

I request you to record the above 2 issues in today's agenda and circulate the draft copy of minutes of the meeting.

Regards,

Dr. Ch. Sai Babu

Convener - AP EAMCET 2015**
