# Message from Honorary Chairman

**Sri L. Jaya Prakash Reddy garu**  
**U.S.A., Honorary Chairman**

It gives me great pleasure to know that yet another batch of engineering students are graduating from our college. As the outgoing students are all set to enter the challenging world of work and social life, I would like to extend my loving wishes to young boys and girls for their bright future. In the last 25 years, our institute has gained a lot of maturity and expertise in producing high-quality graduates and this year is no different. I am sure the graduating students have attained the right mix of knowledge, skills and attitude to succeed in real-time. The real-world challenges require a perfect balance between various skills, plus requires a winning attitude as well. I am confident that under the guidance of our faculty and staff, these students have it in them to meet the professional demands. Our academic and administrative staff deserves appreciation for their hard work and dedication in making our students academically accomplished and professionally competent. I appreciate the all-round achievements of these students, both in academics and sports as seen from their performance in last year's games and sports meets. As promoters, we derive immense satisfaction from the fact that our college is providing a large number of young engineering graduates, mostly from rural areas, great opportunities in placements and higher education. I am told that our administrators and faculty have developed an innovative curriculum, flexible learning system and lots of practical learning in coursework. I am very much optimistic about a glorious future for our college, which will further support the aspirations of many more ordinary people of our society. I believe the graduating students are the best representatives, who can enhance our brand image in the outside world after passing out. I look forward to a more dynamic and engaging association between Alumni and the college so that our academic processes can be updated with their valuable real-time inputs and suggestions. With abundance of precocious talent and energy among our graduating students and the steadfast commitment of our faculty and staff, I am sure a golden future awaits our institution.

Finally, I take this opportunity to extend my love and best wishes to all the graduating batch of boys and girls for a bright career and a happy life.

# Message from Chairman

Sri Lakireddy Prasad Reddy Garu  
U.S.A., Chairman

As we bid adieu to one more batch of graduating students foraying into their future, I reckon they must be leaving with many beautiful memories and precious accomplishments. My heart pounds with profound excitement and joyous fulfilment seeing so many students obtain such valuable academic degrees in Engineering and Technology from our college. May the almighty bestow upon them His choicest blessings and make them experience lots of success, prosperity, and happiness. A quarter century back, when our visionary founder sought to transform the largely rural landscape, there were few takers for his audacious idea. But he persisted with lots of passion. Today, we are proudly witnessing successful graduation of the 25th Batch of students. I am sure the iconic patriarch of our family tree, Late Sri.Bali Reddy garu must be happily smiling from the heavens. When lofty ideals are supported well by proper focus, sincere efforts and dedication, no goal remains unfulfilled. I sincerely hope that all the graduating students will maintain a high level of optimism, determination, focus and strong character traits for great success in life. I laud the efforts of the principal, faculty and staff in infusing knowledge, values and professionalism in the young students set to foray into the real world. I believe our graduating students are the real ambassadors of LBRCE and its academic ecosystem and professional culture. The outgoing youngsters will spread good words about the good work we are doing in the college far and wide, in their families, localities as well as workplaces. I always experience a deep sense of contentment and excitement when success stories are scripted by our students and expecting a lot more from this graduating batch as well. I wish the graduating batch of students of the year 2023 the Best of Luck! May God bless all!!!

# Message from President

Sri. G.Srinivasa Reddy Garu  
President., LBRCT

As yet another batch of students are set to graduate from our college, my heart is brimming with joy and hope. I believe our young students are doing pretty well in their academics and creative pursuits. I am also equally happy with their placement in good companies, and some entrepreneurial forays as well. I firmly believe that quality education can change the fortunes of any student and even the family. I am happy that most of our graduating students are passing out with good grades, skillsets, practical exposure and a touch of professionalism. Whether, they join work or pursue higher education, here in India or abroad, they should improve practical and hands-on learning and should have more freedom to make career choices. We have created the right atmosphere for harnessing the creativity of our youngsters through extracurricular activities, clubs etc.. As our graduating students making their way into the real world, I believe they have acquired the right mix of knowledge, skills and attitude to help them attain their cherished career and life goals. I hope they will work hard to convert their aspirations into inspirations and stay positive all through your life. Your batch is a special batch. You are the Silver Jubilee graduates. As we are celebrating our 25th year of glorious achievements, I would like to remind you of the noble vision and lofty ideals of our founder-chairman, Late Lakireddy Bali Reddy garu who still remains an icon and a huge inspiration to all of us. True to his vision, our college is leading the change in our society and changing the lives and lifestyles of the people of this area through quality technical education. I hope this commemorative piece will provide you and your family members a good experience and lots of happy memories for a long time.

I look forward to your continuous feedback and valuable suggestions in future.

I wish you all lots of fun, happiness, and prosperity

Best of luck !!!

# Message from Principal

**Dr.K.Appa Rao Garu**  
**Principal**

As we celebrate our Silver Jubilee Year, the current batch of graduating students will make their forays into the real world . I am experiencing great professional joy and satisfaction, seeing you all graduate with the requisite academic achievements, skillsets and professional competencies. As you move into the real world workplaces and the competitive world, I am sure your knowledge, skills and attitude will prove useful to attain the desired positions in career and life as well. As you may know, we are always focused on creating the right skillsets, mindset and industry-readiness in our students and as your principal, I am delighted with your excellent academic attainments and professional conduct. In today's highly competitive world, learning is winning. Our hunger and appetite for learning and skilling will make our life lively and richly rewarding. Hence, we have always encouraged you to make more productive learning choices, which is possible only with sharper focus and better commitments. As upcoming engineers and technologists, you should continue to pursue practical learning, research and innovation and nurture diverse skills and interests for a fulfilling career. In our dynamic and stimulating learning ecosystem, our faculty and staff have done their best in inculcating the right mix of skills, attitude and values in you all. In fact, we are only trying to fulfil the cherished wish of our visionary founder-chairman, Lakireddy Bali Reddy to empower youngsters with quality education and employment opportunities. I am sure, our silver jubilee batch of graduates will exhibit the true spirit of learning, skilling and workmanship to bring name and fame to our college. On behalf of all the faculty and staff, I express my best wishes to you all. We will cherish all the beautiful moments that we spent while teaching and mentoring you all. God bless you all !!
