**About Intern Stump:** The InternStump is an Educational Management and Consultant Start-up created in 2021 for the purpose of giving the trainings, Internships, corporate experience and End to End Interns Recruitment. We are into three major areas, first one is for students, for them we are giving the trainings in the various disciplines like Microsoft Office (Word, Excel, Advanced Excel and PowerPoint), Communication Skills (Business Communication, Business Writings, Interview Techniques, E-Mail Etiquette and etc.), Professional Training (HRM, Marketing, Finance, Economics and Accountancy and Web Development). We are also offering the Bootcamps for the learners in the Communication, Human Resource, Accounting, Marketing. We will come up with new Trainings and Bootcamps very soon. We are planning to enter into the Coding, IoT and Artificial Intelligence trainings. Second one is for colleges, for them we are offering all the above mentioned trainings and Bootcamps. In addition to that, we are offering the Campus to Corporate program by which the respective college students have the chance of getting the Internship opportunity at our Organization. Apart from that, we will train the respective college students by training them in terms of Communication, Business Communication, Interview Training and etc. Finally for the Businesses or Companies we are going to offer the End to End Interns Recruitment, by which we will provide the effective Interns to the companies as their requirement. The interns provided by us are highly productive and work lovers. We are responsible for inviting the applications for the internship, screening them by conducting interviews or GDs, finally onboarding and placed them in your respective companies. Apart from all these services, we are conducting various competitions in national level like, conducting the Quiz Programmes, Essay Writing Competitions, Debates, the Public Speaking competitions and so many. To give the knowledge and skills to the students in their respective domains, we will be conducting Webinars and Workshops. The InternStump is also entered into the College E-Event Management, in which we will provide the Meeting Platform like Zoom or Microsoft, Making the Posters with respect to the events, provide the Certificates in the name of colleges (if necessary) and so many related activities.

**Vision:** To become the paramount platform for providing the Trainings to the students and Learners. To provide the way for the Educational institutions by connecting them with corporate. To become the global platform for offering the end to end interns Recruitment to the clients.

**Mission:** To provide the best interview skills make students as industry ready by giving them the training in the various disciplines. To give the valuable output to the Educational institutions by providing the training to their students. To provide Quality Recruitment service to our clients.
