

IDEATION FEST -2017

-> The Ideation fest is organized by our Centre for Innovation Incubation and Entrepreneurship on 20-12-2017. The convenors Dr.T.Rajasekhar, Professor and Dr.A. Narendra Babu, Professor, the faculty-coordinators and student-coordinators took initiation and made this programme very grand success.

The 60 student- teams from engineering and management sciences, participated and presented their ideas in the fest. The judges of ideas evaluation evaluated the students' ideas and finally 10 best ideas are selected in the fest.

The principal encouraged the students in this perspective and turned the students into ideations and incubation dimension.

The further step is also progressive to up-lift the such vibrant culture in the campus.
