## Internship Completion Certificate

We are delighted to present this certificate to **Rachakonda Monisha** for the successful completion of the 8 weeks internship program on **Artificial Intelligence - Deep Learning** at AIMER Society, from 15-May- 2025 to 15-Jul- 2025. Throughout the program, Rachakonda Monisha exhibited exceptional dedication and enthusiasm in exploring the advanced domain of Artificial Intelligence. The hands-on experience gained through developing AI models, delving into Huggingface models, and mastering image classification, object detection, and various generative AI models has significantly augmented their expertise in this dynamic field.

We extend our heartfelt congratulations to Rachakonda Monisha for their outstanding performance and unwavering commitment throughout the program. We are confident that the knowledge and skills acquired during this internship will serve as a solid foundation for a prosperous and impactful career. We wish them every success in their future endeavors and look forward to their continued contributions to the field of Artificial Intelligence.

## INTERNSHIP COMPLETION CERTIFICATE

This is to certify that

**Mr. Narasimha Reddy Tangirala**

Has successfully completed his internship at **Laservall Technosolutions Pvt. Ltd., Bengaluru** from **May 2025 to July 2025** as a **Vision & Laser Automation Intern**.

During his tenure, he has demonstrated dedication, technical competence, and professionalism in his work. His responsibilities and contributions included:

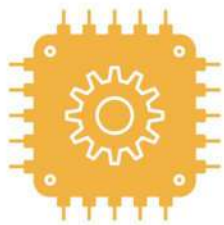

- Integrating Laser Marking Systems with Machine Vision Inspection for automation lines.
- Configuring and testing EZCAD2, 3D Laser, and Lighter software for galvo laser control.
- Developing basic inspection logic using HIK Vision Vision Master and Cognex to enable laser marking alignment based on part orientation.
- Designing prototype demo setups for real-time laser + vision synchronization to showcase to clients.

His performance throughout the internship was commendable, and he has shown a keen interest in learning advanced laser and vision automation concepts.

We wish him success in all his future professional endeavors.

## INTERNSHIP COMPLETION CERTIFICATE

**Date:** 30 June 2025

This is to certify that **Ms. Gudikandula Devi Sri** has successfully completed an internship in the **IT Department** with **Lex Nimble Solutions Limited** from **19 May 2025** to **30 June 2025**.

During the internship, she was actively involved in enterprise-level document automation and software testing initiatives. Her key contributions included:

- Designing and configuring dynamic intake forms to capture client information and automate legal document generation workflows.
- Mapping input variables from intake forms into Word document templates to enable automatic population of legal documents with accurate client and case data.
- Performing manual testing of generated documents to verify field accuracy, formatting consistency, and end-to-end functionality.
- Creating detailed test cases for portal functionalities and form-driven document workflows to support quality assurance and minimize production issues.
- Participating in daily scrum and sprint planning meetings, contributing to the Agile development process with testing insights and updates.
- Collaborating with cross-functional teams, gaining practical exposure to project management, quality assurance methodologies, and document-centric automation in a legal tech environment.

This internship experience has enhanced her technical knowledge and professional skills. Ms. Devi Sri has proven to be a valuable addition to our team.

We appreciate her efforts and wish her all the best in her future endeavours.

## INTERNSHIP CERTIFICATE

This is to certify that **KODALI.YELESHWAR SAI MADHUKAR** successfully completed his internship at LMH Trading Pvt. Ltd. under the guidance of the Operations & IT Automation Team.

He worked with us from **05/05/2025 to 10/07/2025** as an Intern – Database & Business Operations, during which he contributed significantly to:

- Designing and developing a structured database system for the organization
- Supporting automation workflows by integrating database modules
- Assisting in import-export documentation management
- Helping with data entry, reporting, and internal process improvement
- Collaborating with the operations team to ensure data accuracy and process efficiency

Throughout his internship, he demonstrated strong technical ability, problem-solving skills, and consistent dedication toward his work.

We appreciate his efforts and wish him great success in his future endeavors.

## Internship Completion Certificate

We are delighted to present this certificate to **Miriyala Veera Ganesh** for the successful completion of the 8 weeks internship program on **Artificial Intelligence - Deep Learning** at AIMER Society, from 15-May- 2025 to 15-Jul- 2025. Throughout the program, Miriyala Veera Ganesh exhibited exceptional dedication and enthusiasm in exploring the advanced domain of Artificial Intelligence. The hands-on experience gained through developing AI models, delving into Huggingface models, and mastering image classification, object detection, and various generative AI models has significantly augmented their expertise in this dynamic field.

We extend our heartfelt congratulations to Miriyala Veera Ganesh for their outstanding performance and unwavering commitment throughout the program. We are confident that the knowledge and skills acquired during this internship will serve as a solid foundation for a prosperous and impactful career. We wish them every success in their future endeavors and look forward to their continued contributions to the field of Artificial Intelligence.

## Internship Completion Certificate

We are delighted to present this certificate to **Vangapandu Pushkarni** for the successful completion of the 8 weeks internship program on **Gen AI** at AIMER Society, from 15-May- 2025 to 15-Jul- 2025. Throughout the program, Vangapandu Pushkarni exhibited exceptional dedication and enthusiasm in exploring the advanced domain of Artificial Intelligence. The hands-on experience gained through developing AI models, delving into Huggingface models, and mastering image classification, object detection, and various generative AI models has significantly augmented their expertise in this dynamic field.

We extend our heartfelt congratulations to Vangapandu Pushkarni for their outstanding performance and unwavering commitment throughout the program. We are confident that the knowledge and skills acquired during this internship will serve as a solid foundation for a prosperous and impactful career. We wish them every success in their future endeavors and look forward to their continued contributions to the field of Artificial Intelligence.

## Internship Completion Certificate

We are delighted to present this certificate to **Konidena Naga Sri Lasya** for the successful completion of the 8 weeks internship program on **Artificial Intelligence - Deep Learning** at AIMER Society, from 15-May- 2025 to 15-Jul- 2025. Throughout the program, Konidena Naga Sri Lasya exhibited exceptional dedication and enthusiasm in exploring the advanced domain of Artificial Intelligence. The hands-on experience gained through developing AI models, delving into Huggingface models, and mastering image classification, object detection, and various generative AI models has significantly augmented their expertise in this dynamic field.

We extend our heartfelt congratulations to Konidena Naga Sri Lasya for their outstanding performance and unwavering commitment throughout the program. We are confident that the knowledge and skills acquired during this internship will serve as a solid foundation for a prosperous and impactful career. We wish them every success in their future endeavors and look forward to their continued contributions to the field of Artificial Intelligence.
