Report:

CIPET Surampalli, located in Vijayawada, Andhra Pradesh, is a prominent institution dedicated to the field of plastics and petrochemical engineering. Established in 2015, it offers a range of courses and programs, including diplomas and postgraduate diplomas, catering to the needs of the plastics and allied industries in the state. The institute is equipped with modern facilities, such as laboratories with the latest machines, and provides hands-on practical training.

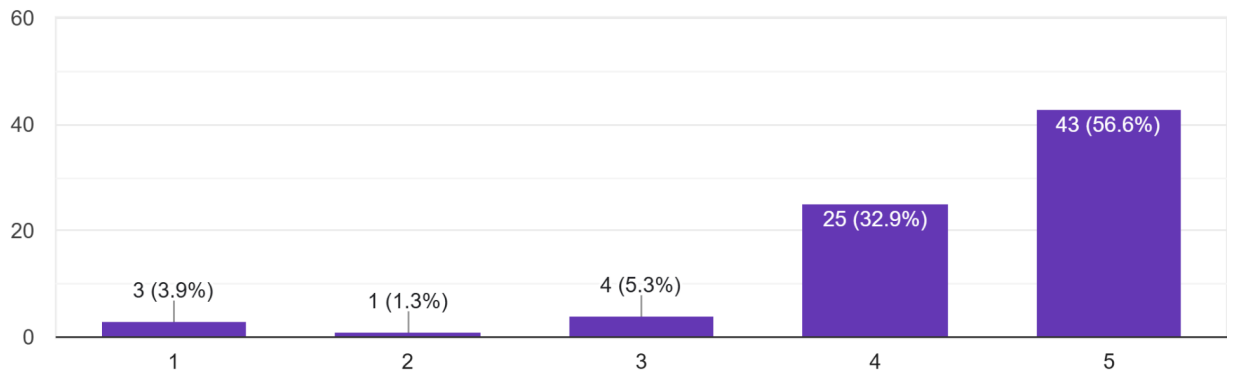

CIPET also offers technical consultancy services and supports the development of eco-friendly technologies. The institute's commitment to research and development, along with its focus on sustainability and innovation, positions it as a key player in the petrochemical and plastics sectors.

The LBRCE(A), has provided the 2 free buses to have a safe and successful visit.
