Observations and Plan of Action for next Academic Year:

Observations:

- **Notable increment in the highest and average packages** compared to previous academic year

- **The placement percentage is almost retained**. The vigorous training from the Training & Placement cell and the Dept. contributed positively towards the placements.

- **Students got placement in core companies** like Capgemini and Cyient Ltd. The training and the support given by the department during the recruitment process played a crucial role in cracking the core placements.

- **11 students got more than one job offe**r which reflect the ability of the students. The initiatives taken by the institute like company specific training and Training on programming tools apart from the conventional training is helped the students to get multiple offers.

Plan of Action:

- More **effective training sessions** will be scheduled to obtain the sound knowledge on the recruitment assessment process

- More **time shall be offered** to the students to learn the different kinds of programming tools.

- The **student certification programs** will be organized on cutting edge tools and other skill to improve the skill set of the students.

- **Mock interviews by the industry experts/Alumni** will be planned to make the students ready for the interview process.

- The department shall thrive to train the students to crack more core-based job opportunities. Also, the department shall look for the opportunities through the contacts of the faculty and other stake holders.
