### Conceptual Learning Approach:

- Rote learning Vs Conceptual learning
- Rote learning = "I can say it."  
Conceptual learning = "I understand it and can use it."
- **Rote learning:**  
"I can repeat the steps I was shown."
- **Conceptual learning:**  
"I understand the idea, so I can create my own steps if needed."
- Always ask yourself, why, what, how, If, What if
- Asking questions, Digging deep.
