**DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING**

## **Report of Alumni Meet Held on 11<sup>th</sup> Feb, 2023 at 10:00AM**

### **Background:**

LBRCE Alumni Association decided to conduct the Alumni Meet on 11<sup>th</sup> feb 2023. Personal mails were sent to the Alumni one month in advance, every week followed by SMS and phone call. To reach maximum number of alumni we also placed the invitation on whatsapp.

### **Alumni Meet:**

The session commenced at 10.00 am with the general discussion with the alumni.

Speaking on the occasion, Dr.D.Veeraiah, HOD underlined and praised the achievements of Alumni of Computer science and Engineering in all spheres of life. He felt that it was matter of great pride for LBRCE that its Alumni are holding positions of responsibility in various Government organizations, Private sector, Academic Institutions. He addressed the gathering about the Vision, Mission, PSOs and POs of the department. Also, he presented about the achievements of the department like NAAC and NBA accreditation, R&D projects, and Student achievements. Also, he specifically pointed out the placements, which is to be strengthen with the help of Alumni and received the valuable suggestions from the Alumni in terms of curriculum, student projects, industry expectations and latest technologies used currently in the industries. He told them that they are the valued ambassadors of LBRCE and they should continue their association with ECE Department. Later, some alumni members shared their views. It was decided to strengthen the link between the current students and alumni for their support to current students in the area of training, placement, career counselling and any other help. The student alumni relations cell is need to be strengthened for the benefit of student community in future. Some of the alumni are interacted with the current third year and second year students about their experiences and the industry expectations from the fresh graduates.

The following points were discussed in the interactive session of alumni

1. It is resolved to strengthen the relation between the current students and the Alumni through the Alumni cell as well as student relation cell of the department.
2. HOD asked the alumni students regarding R-20 curriculum they suggested to include more number of topics in Computer network subject and include CN lab because algorithms are used in industry.
3. Alumni suggested that include LINUX operating system in the curriculum, C Language in second year because of lateral entry students.
4. Alumni suggested that encourage students in project oriented learning. Care should be taken to motivate all students to attend the training classes,

technical fests and association activities regularly in order to mould the students to improve overall interpersonal skills.

5. Alumni suggested that Create Google group as Alumni LBRCE ECE and share information regarding Placements and any other details regarding college.
6. To provide guidance to the young engineers in their endeavour for better employment and higher studies. To arrange seminars, debates, workshops on present trends in technology.
7. To arrange teaching and training classes to the students studying in the college and also to the students to upgrade technical and general skills.

The faculty members and staff of the Department attended the program.

**Feedback:**

Alumni's were very happy as the alumni association was start and they can meet their friends, teachers and share their experience with them. They were also happy to see the development of the college.
