Dear **Shaik Johny Basha**,

It is with great honor and admiration that the **Artificial Intelligence Medical and Engineering Researchers Society** presents you with the **“Emerging Scholar in Teaching Excellence Award”** for this year. This prestigious accolade reflects your unparalleled commitment to excellence in the realms of artificial intelligence, particularly in the medical and engineering sectors.

Shaik Johny Basha, your research and inspirational teaching methods have significantly contributed to the advancement of our field. You have not only enriched the academic community with your knowledge but have also played a pivotal role in nurturing the next generation of innovators and thinkers. Your ability to blend theoretical insights with practical applications has set a benchmark for others to follow.

As we celebrate your outstanding achievements, we are also reminded of the great responsibility that comes with such a distinguished honor. The landscape of artificial intelligence is ever-evolving, posing both opportunities and ethical dilemmas. Your leadership and ethical guidance are critical in navigating these challenges, ensuring that technological advancements benefit humanity as a whole.

Artificial Intelligence Medical and Engineering Researchers Society is confident that you will continue to inspire those around you, fostering an environment of discovery and innovation. Your ongoing contributions are invaluable to our community, and we eagerly anticipate the continued impact of your work on the future of artificial intelligence in both medicine and engineering.

Please accept our heartfelt congratulations on receiving the **“Emerging Scholar in Teaching Excellence Award”**. Your dedication and achievements are truly deserving of this recognition, and we are proud to count you among the esteemed members of our society.

Warmest regards,

Sai Satish,
President, & Board Members of
