Dear Keerthi

Congratulations on your admission to the MS program in Computer Science for Spring 2021! We are delighted that you have chosen UMSL and look forward to welcoming you to graduate studies at the University.

Note that all international students are required to check-in at the Office of International Student & Scholar Services and to attend an orientation program when entering the University. Please refer to the checklist in your admission packet in order to prepare for your arrival at UMSL—be sure to pay special attention to your visa procedures and to the time and date of your orientation program. Important communication will be sent to your University email address shortly, so please set up and check your UMSL email account as well.

Please note that most new students must also sit for an English placement exam during orientation. Based on the results of the exam, you may be required to enroll in specific language courses during the first semester of your degree program. Any English language courses are taken for both grades and credit hours and are completed at the same time as those in a regular degree plan.

Congratulations again on being admitted to such a competitive program. As a student at UMSL, you can take great pride in knowing that the University has a national reputation for excellence in research, teaching, and community service. Our students are a major part of this success, and we are proud to have you join us.

If you have questions or are in need of assistance, feel free to contact our office at +1-314-516-5229 or at [iss@umsl.edu](mailto:iss@umsl.edu).
