Event: Debate

No. of Participants: 23

Event Description: The Debate event serves as a platform for students to engage in structured arguments and discussions on various topics of social, political, or academic relevance. Participants are assigned positions either in favor of or against a given proposition and are tasked with presenting compelling arguments supported by evidence and logical reasoning. The participants have been given the chance to choose topics for debate from the ones below.

Topics for Debate:

1. "Balancing Perspectives on Video Games' Impact."
2. "Weighing the Implications of College Mobile Prohibition."
3. "Evaluating Both Sides of Apple Vision Pro Effects."
4. "Exploring Benefits and Drawbacks of Internships."
5. "Unveiling Impacts of Online Learning Platforms."

Event Outcome: Following the Debate event, participants often express a sense of accomplishment and intellectual growth. Engaging in rigorous preparation and passionate discourse, students develop critical thinking skills, public speaking abilities, and the capacity to articulate their viewpoints effectively. Moreover, the event fosters mutual respect and understanding among participants, encouraging open-mindedness and appreciation for diverse perspectives. Overall, the Debate event leaves students feeling empowered, inspired, and better equipped to engage in constructive dialogue on complex issues both within and beyond the academic realm.
