Year: II

Semester: 2

Event: Just A Minute (JAM)

No. of Participants: 57

Event Description: Participants were tasked with speaking on diverse topics for one minute, demonstrating their ability to think on their feet and articulate their thoughts coherently. With rules prohibiting hesitation, repetition, or deviation, the event fostered an atmosphere of creativity, quick thinking, and spirited competition among participants. And they have been given the chance to choose the topics from below.

Just A Minute Topics :

- ➢ Reducing Global Warming
- ➢ Influence of social media on society
- ➢ Importance of Newspaper
- ➢ Cyber Security Threats
- ➢ Solution for Plastic Pollution
- ➢ AI in Health Care

Event Outcome: The JAM event saw lots of students taking part eagerly, showing off their speaking skills. It helped them get better at talking on the spot and expressing themselves clearly. Everyone had fun and got more confident in speaking up. It brought students together and made our college feel lively. In the end, the event was a big hit and left everyone feeling good about it.
