

eYantra

A robotics lab in association with IIT-Bombay has been inaugurated in Lakireddy Bali Reddy College of Engineering, which is one of the few elite colleges in Andhra Pradesh to install this laboratory. The e-Yantra robotics lab, formerly Center for Robotics Studies, is a product of the e-Yantra Lab Setup initiative by IIT-Bombay, aims at equipping students with the necessary skills needed for a robotics engineer and make them acquainted with the recent advancements in the robotics industry.

The laboratory inauguration was carried by opening the signage board by the Director Dr. E. V Prasad in the presence of principal Dr. N.R.M.Reddy and Dr. M Umavani, HOD-EEE Dept., and other dignitaries. The entire inauguration was hosted online through which dignitaries from IIT-Bombay Professor Kavi Arya, Professor Saraswathi Krithivasan and Professor Krishna Lala attended the inauguration.

The director congratulated Mr. Y Murali Krishna for his tireless efforts in setting up this laboratory and playing a key role in motivating students in taking part in robotics. The college principal addressed the students and said that setting up labs like these will ensure the quality of the education that is provided. And finally Dr. M umavani Hod EEE Dept. said that more laboratories like this will be installed in the future and will thrive to foster a positive learning environment in the college.
