The purpose of the Employer survey is to get feedback from the Employer to improve the curriculum and other academic related issues.

Survey related to POs
For each question, please indicate (✓) based on the extent to which you agree with given statements related to Programme outcomes.

1. What is our graduate level in applying knowledge of mathematics, science and engineering fundamentals in solving engineering related applications?
   (A) Excellent   (B) Very Good   (C) Good   (D) Poor

2. How far our graduate is able to understand the latest developments in engineering using basics of mathematics & engineering sciences?
   (A) Excellent   (B) Very Good   (C) Good   (D) Poor

3. Mention our graduate ability to design a system, component or process to meet desired needs within realistic constraints such as cost, environmental, social, health & safety.
   (A) Excellent   (B) Very Good   (C) Good   (D) Poor

4. Specify our graduate level, in analyzing, organizing data and identify suitable design for an experiment for deriving valid conclusions.
   (A) Excellent   (B) Very Good   (C) Good   (D) Poor

5. Indicate our graduate level in using the modern tools for preparing models for solving complex engineering problems
   (A) Excellent   (B) Very Good   (C) Good   (D) Poor

6. What is our graduate level in understanding the impact of engineering practice to assess societal, health, safety, legal and environmental contexts?
   (A) Excellent   (B) Very Good   (C) Good   (D) Poor

7. How much our graduate is able understand the impact of professional engineering solutions in societal and environmental contexts?
   (A) Excellent   (B) Very Good   (C) Good   (D) Poor

8. How far the programme has helped to our graduate in understanding the professional responsibilities and ethical concepts?
   (A) Excellent   (B) Very Good   (C) Good   (D) Poor

9. Indicate our graduate confidence level to work as individual or as a member of a team to solve engineering based solutions.
   (A) Excellent   (B) Very Good   (C) Good   (D) Poor

10. How far our graduate is able to communicate both verbal and in written form effectively?
    (A) Excellent   (B) Very Good   (C) Good   (D) Poor

11. Rate the programme in improving our graduate project management skills, entrepreneurial qualities and in multi disciplinary team efforts.
    (A) Excellent   (B) Very Good   (C) Good   (D) Poor

12. What is our graduate ability to recognize the need for lifelong learning and pursue higher education as per the needs of their current and future professional practice?
    (A) Excellent   (B) Very Good   (C) Good   (D) Poor

Survey related to PSOs

1. What is our graduate knowledge level at the end of the programme in communication related practices and problems?
   (A) Excellent   (B) Very Good   (C) Good   (D) Poor

2. How far the programme helped our graduate in designing analog and digital circuits for implementing real time solutions?
   (A) Excellent   (B) Very Good   (C) Good   (D) Poor

3. Mention our graduate level in understanding the basic concepts of signal processing and apply them in realizing real time applications.
   (A) Excellent   (B) Very Good   (C) Good   (D) Poor
