EXAMINATION SECTION

CIRCULAR

Attention: All B.Tech students

All the students are hereby informed that, as per the directions of the University authorities, it has been decided to conduct the Supplementary Examinations in the middle of each semester, instead of conducting them along with the regular end semester examinations as per the existing practice.

This decision has been taken as the conduct of Supplementary Examinations along with the regular end semester examinations is causing difficulty in finalizing the list of promoted candidates within the stipulated time.

The Supplementary Examination notification will be issued shortly. Tentatively, the Supplementary Examinations are proposed to commence from 15th October 2026.
