SERVICE FOR YOU AROUND THE WORLD AROUND THE CLOCK

ORGANIZATION PROFILE

ABOUT US

D Base Solutions is founded by experts from IT industry with vision to provide most feasible and cost-effective IT solution to enterprises. Founded in 2011, based in Eluru, West Godavari Dist, Andhra Pradesh, India, DBS aspires to be the front runner of the IT Services. The Company has been recognized for its exceptional service capabilities and industry-leading solutions.

INNOVATION THROUGH IDEAS

We, at DBS are committed and investing heavily on innovation. At DBS, we see Innovation as a clear differentiator. Innovation, along with focus on strong domain expertise, drives every facet of our day-to-day operation.

MISSION

To emerge as most preferred technological partner and be a potential business associate in the field of Software Engineering and Energy efficient services for Educational Institutions, Public and Private sector by providing cost effective, competitive and customized solutions for critical applications on an integrated approach.

VISION

To develop end-to-end solutions by innovative design and development To be active partner in system level solutions for Educational Institutions, Financial, Marketing and Industrial applications To keep value of our customers, time and Employees.

CUSTOMER SERVICE

We believe in not just meeting but exceeding customer expectations. We endeavor to become trusted advisors of our clients and build lasting relationships. We strive towards fanatical attention to consistency and detail, and constantly look for opportunities to serve our customers better.

INTRODUCTION TO I-CAMPUS

Fed up with struggling with a system, which seems to add to your workload, which doesn't work the way your colleges does?

Do you want a scalable computerized system with plenty of timesaving features that help to get jobs done accurately and quickly?

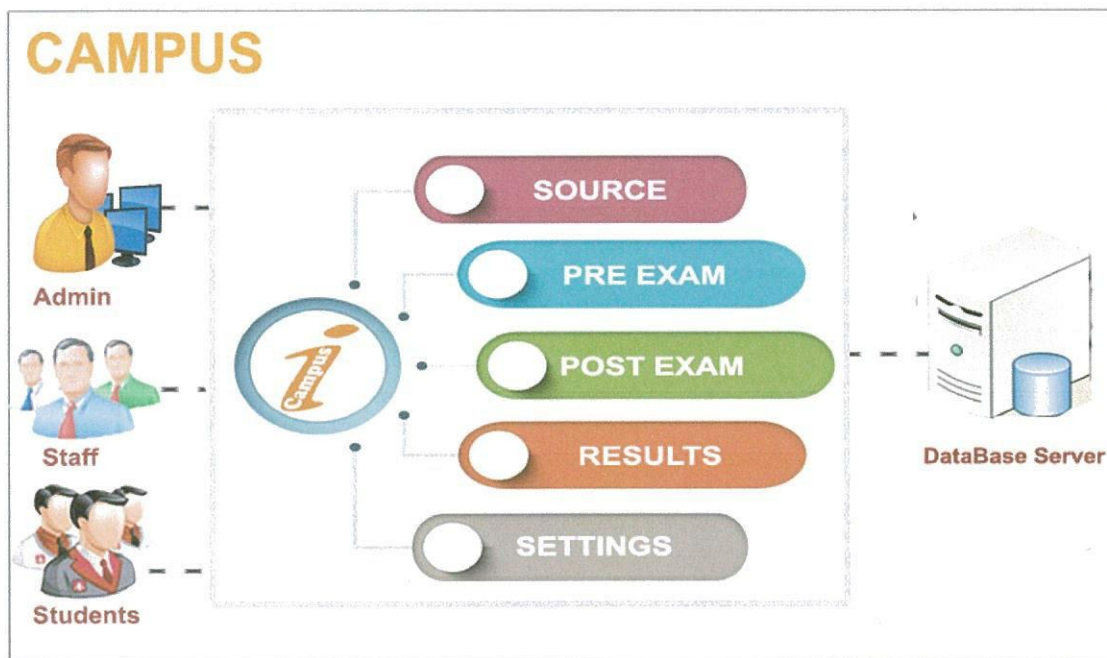

Do you want professional-looking reports and correspondence?

.....Then look at "I-CAMPUS".

I-CAMPUS (EXAM MODULE) DESCRIPTION:

I-CAMPUS Exam Module is a complete and customized solution for Autonomous colleges to handle all the Examination related work. By going through the flow of application one can easily maintain its student details, Exams details, Exam wise fee details, subject details, Exam scheduling, and OMR Recognition Details with hand writing also. This software includes the User-friendly menus can easily generate all the reports.

ARCHITECTURE:

Modules:

As per requirement of Colleges we analyzed that, I-Campus application consists of the following modules.

I-Campus Software has 3 types of stakeholders namely- Admin, Staff and Students. Admin can use all above mentioned module features. Staff and Students can only access the modules which are given by the Admin.

The administrator is the super user of this application. Anyone except admin cannot enter into this page. The admin can allow staff & students and can give privileges that which portion they can access. The administrator will have all the information about all the users and administrator & about the entire information regarding to the application.

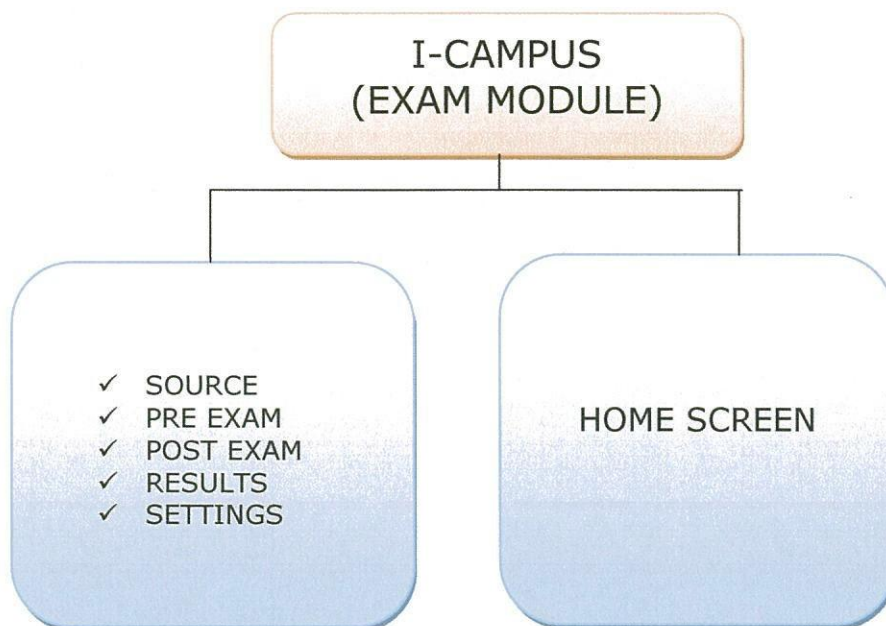

Working Procedure of I-Campus:

- This application contains the login form.

This module contains all the information about the authenticated user. User without his username and password can't login, if he is only the authenticated user then he can enter to his login and he can see the all the information related to the application.

- After Successful login of users, application's home page will be displayed according to their login rights.

SOURCE MODULE:

➤ The Source Module deals with the following Forms

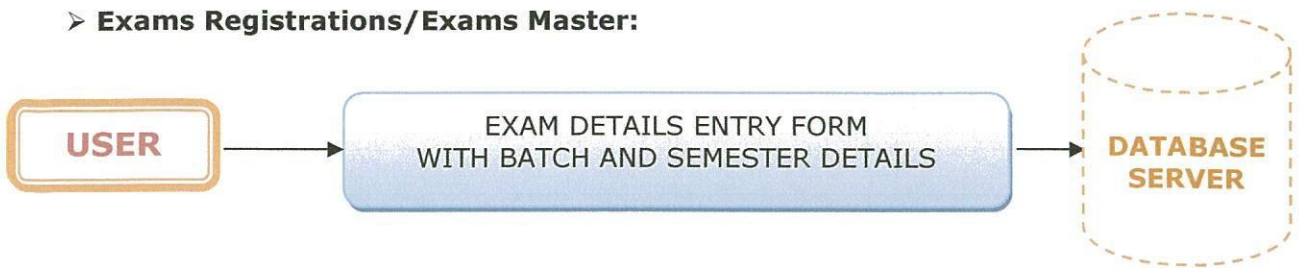

➤ **Student Data:**

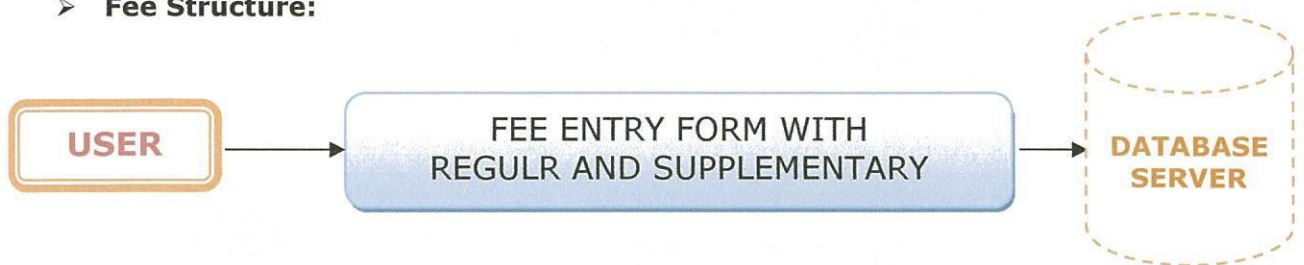

The Student Data sub module provided for the computerization of the student personalized data, In this Form User can also add the photograph of the student into database. The Registration number will generate automatically, according to the given criteria. Student information can find by REGNO and it can be edited.

➤ **Exams Registrations/Exams Master:**

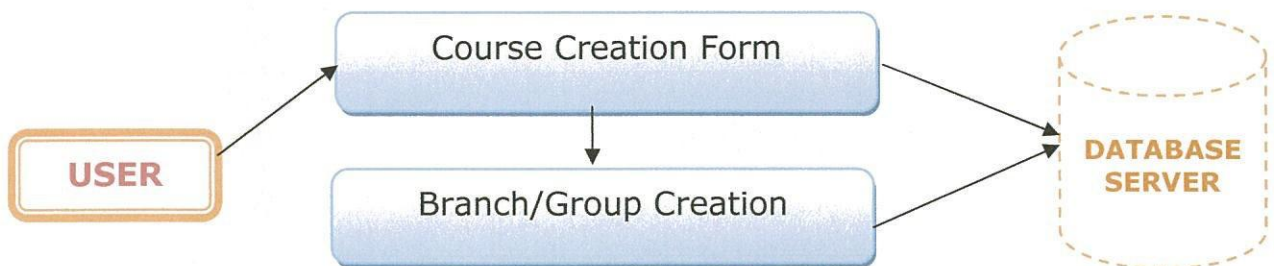

The Exams Sub module Deals with creation of exams with batch wise details.

➤ **Fee Structure:**

This Sub module deals with creation of exam fee for regular and supplementary

➤ **Courses And Groups Master:**

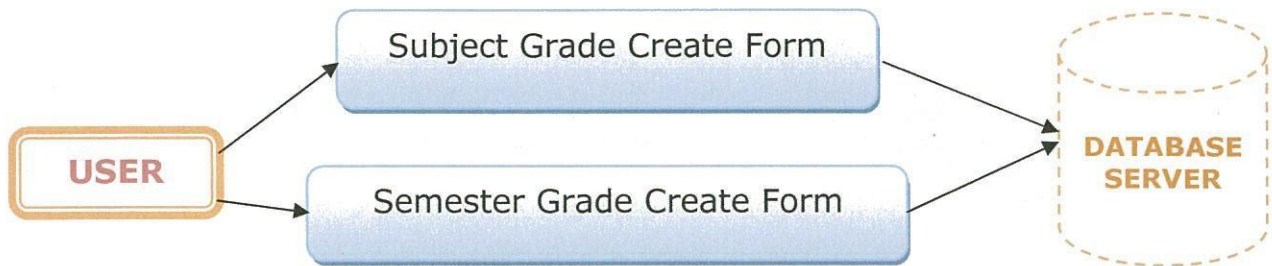

The Sub modules deal with creation of course management and course wise branch creation and branch management.

➤ **Papers Master:**

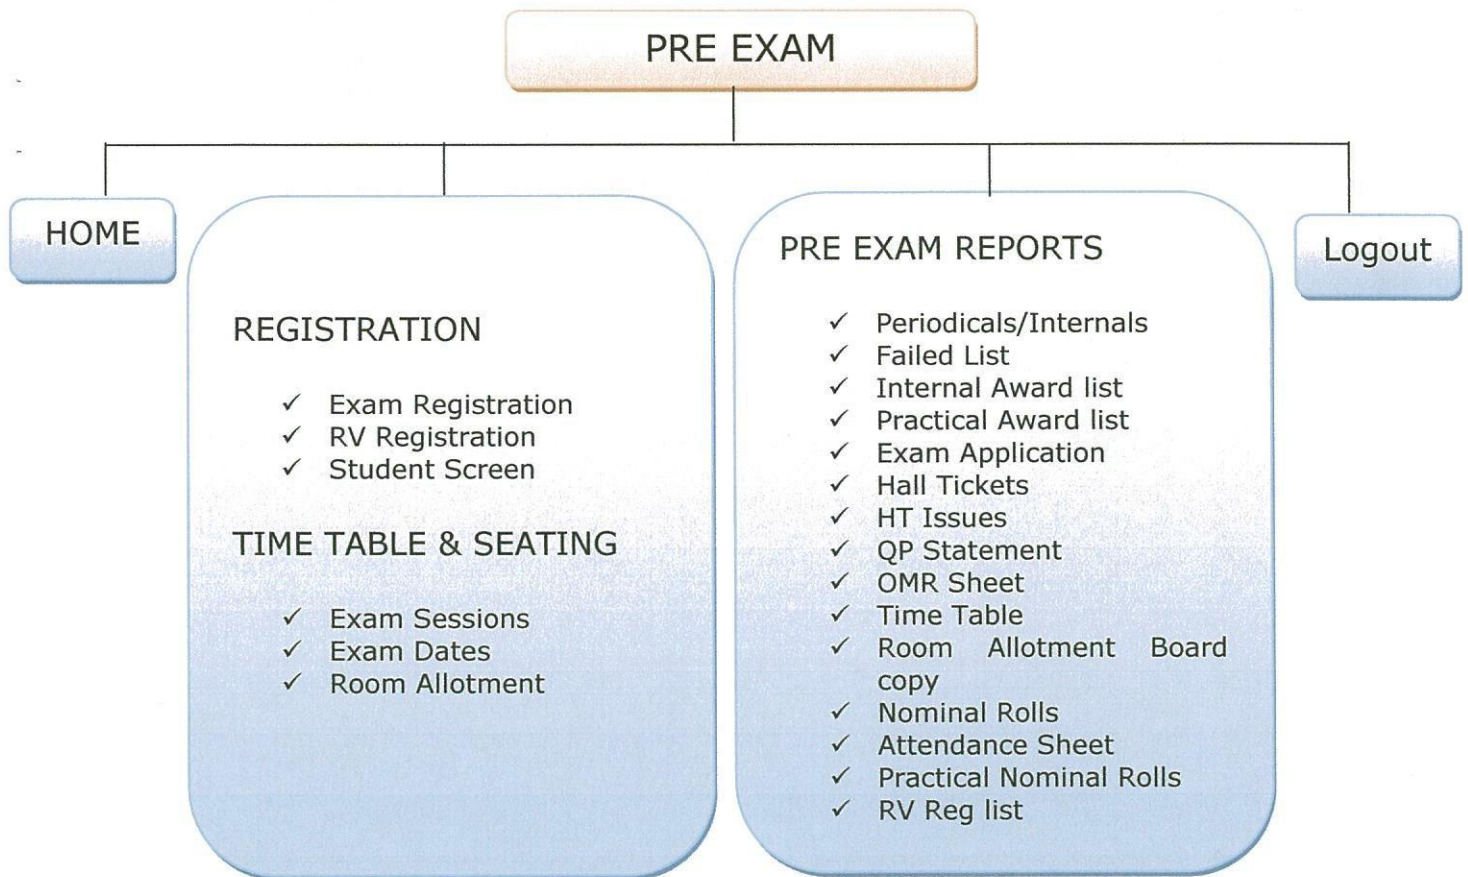

The Above Sub module provided the Courses, Branch and Papers. Once the user enters the code in any section, Description of that code will be displayed, incase of record existence, The user can modify and delete that record, otherwise user have to enter code, description and press save to add new record, when entering the papers section credits, elective, practical etc. steps should be entered carefully, once the data entered in theory, internal, Practical then total, theory pass total pass will be calculated automatically.

➤ **Subject And Semester Grade Master:**

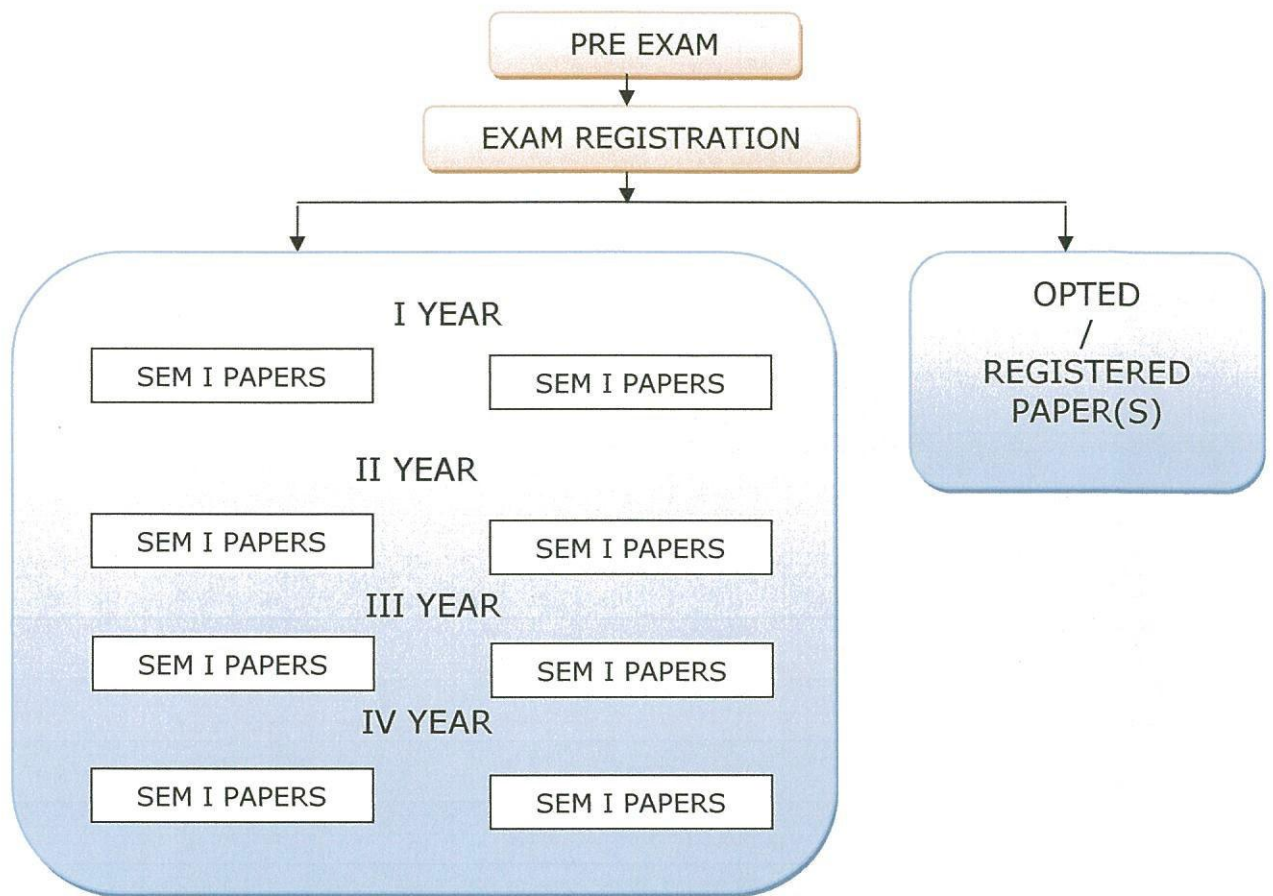

In this module user/admin has to enter Regulation wise marks range to apply grade and grade points. In Semester module has to enter SGPA range to allot Semester Grade.

PRE EXAM MODULE:

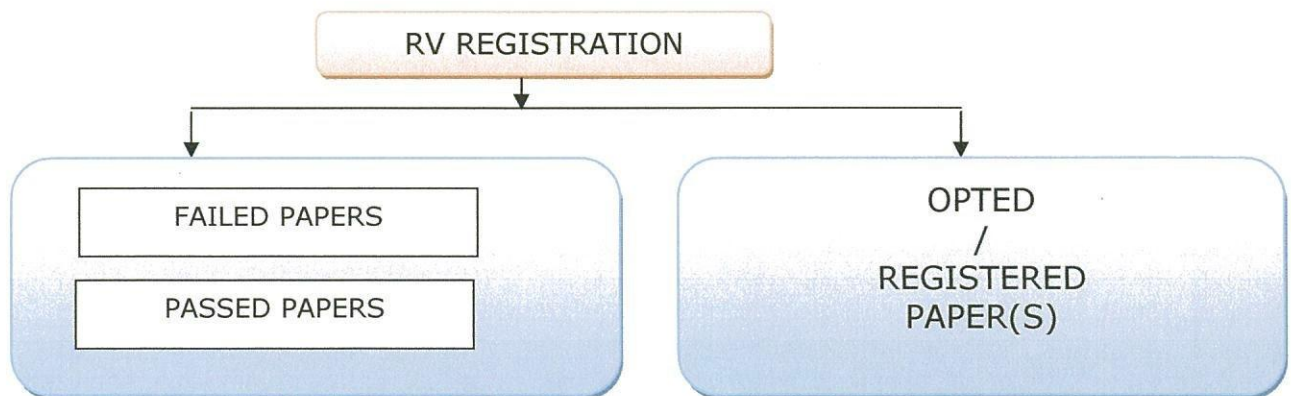

➤ **Exam Registration:**

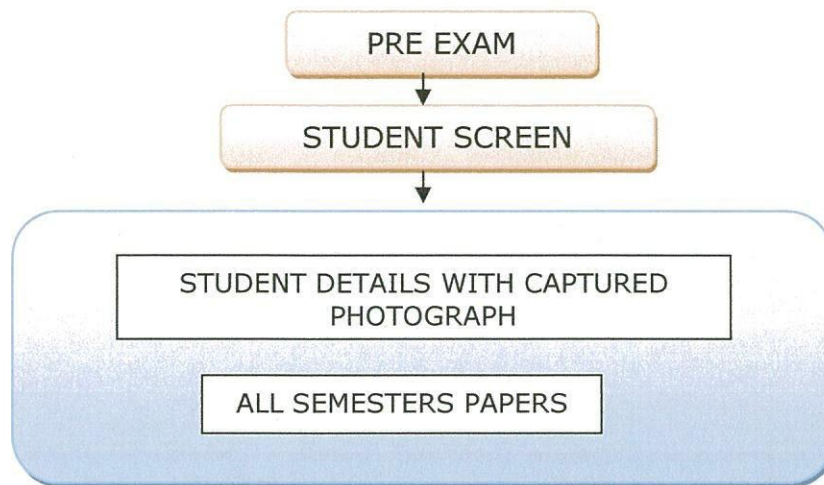

Once the user entered the REGNO, in case of supplementary candidates, semester wise failed papers will be added to the list, and also opted papers will be added to opted list in case of any.

➤ **Revaluation Registration:**

➤ **Student Screen:**

In this module candidate wise back logs and regular papers will be shown and semester wise fee particulars(According to fee structure) will be shown and before going to pay the exam fee, student can see his/her semester wise subjects to be appeared and fee to be paid.

➤ **Exam Sessions:**

Exam Sessions Allotment

Select Semester

Select Session

Session Allotment List

The above form indicates the Exam Semester Vs Session Allotment.

➤ **Exam Date Allotment:**

Exam Sessions Allotment

Select Semester

Date

Select Paper

Dates Allotment List

The above form contains the Semester wise subject wise examination date allotment and here user can export data to excel for room seating and any internal usage.

➤ **Room Allotment:**

Room Number Allotment

Select Room

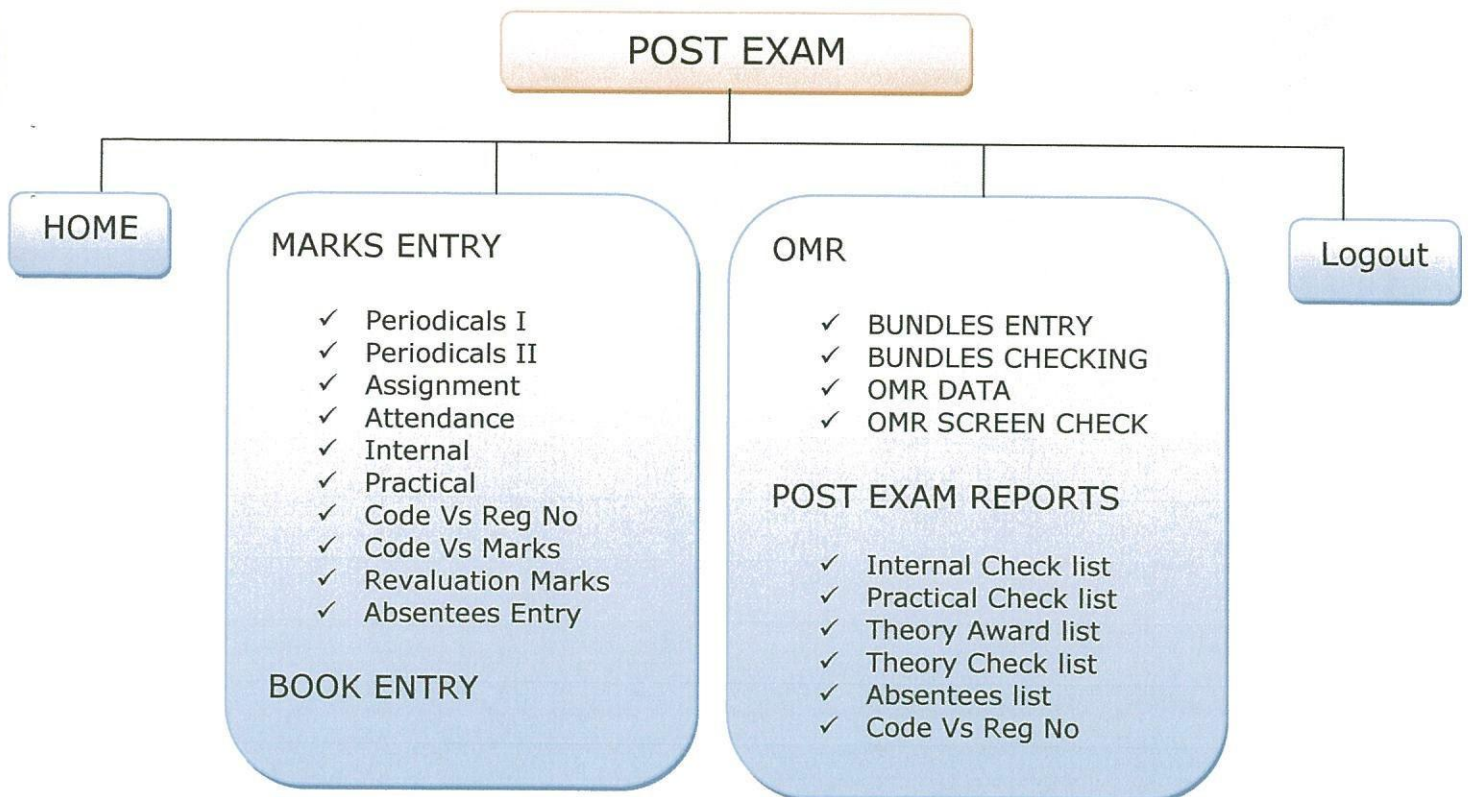

Exam Date

Select Paper

Room Allotment List

The above form contains the Allocation of rooms.

POST EXAM MODULE:

The Above Structure defines the forms in Post Exam Module.

➤ **Marks Entry Internals/Practical:**

Entry For

Internals/Practical

Semesters

Papers

Internal Entry List

The Above form contains the registered numbers Vs Internal/Practical marks entry.

➤ **Bundles Entry:**

Scripts Entry

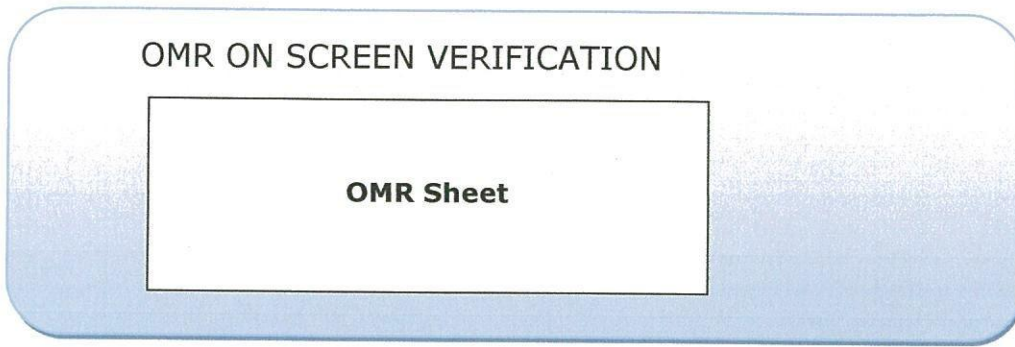

Enter Bundle No.

Enter Total Scripts

Scripts Entry List

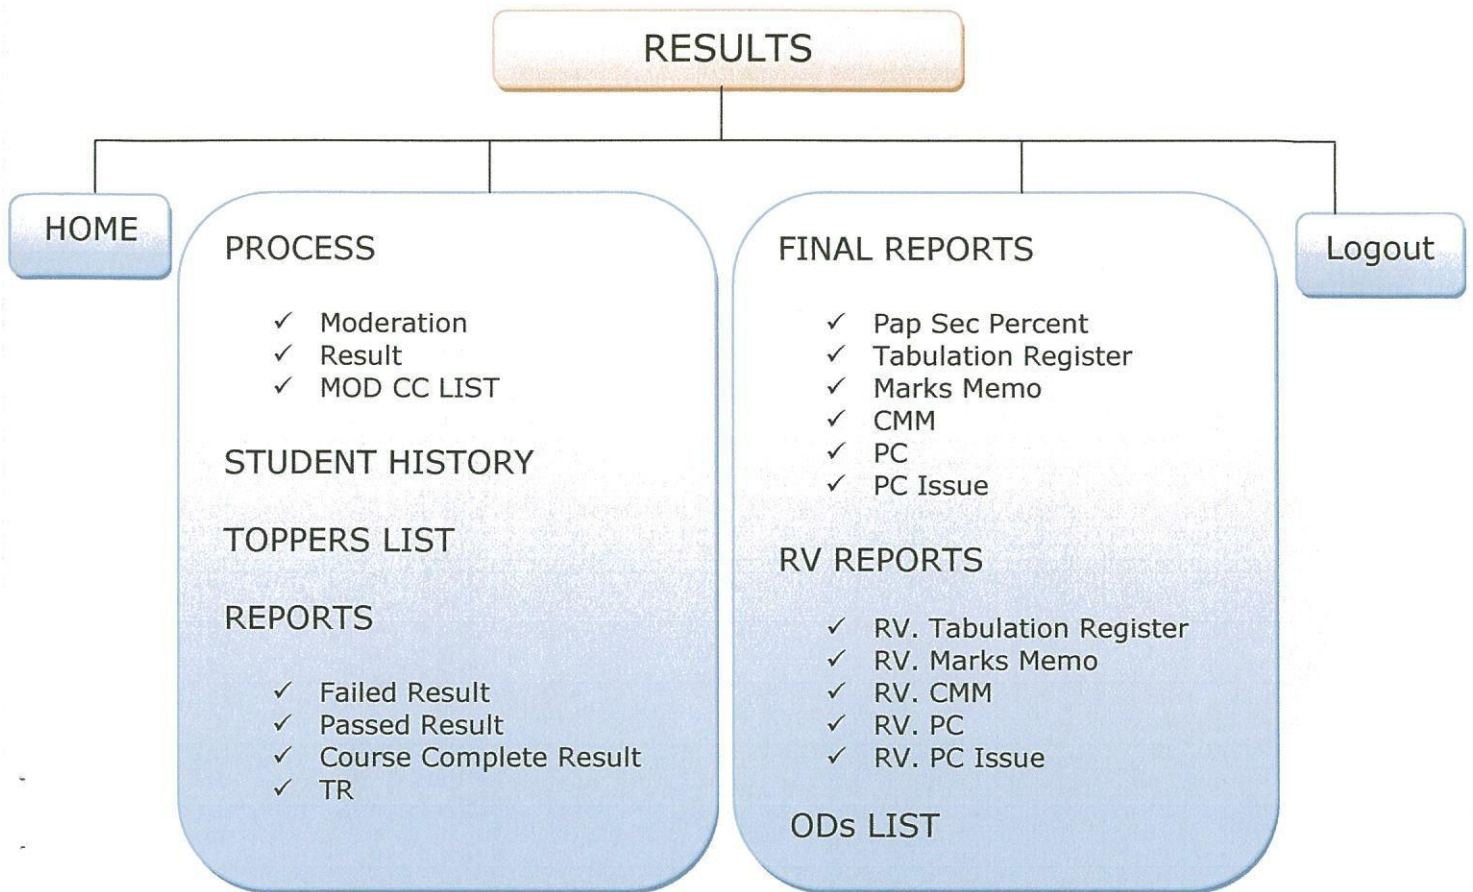

In the above form user has to enter bundle number and total scripts in each, which is used for the bundle checking after scanning the OMR Sheets.

➤ **OMR Screen Check:**

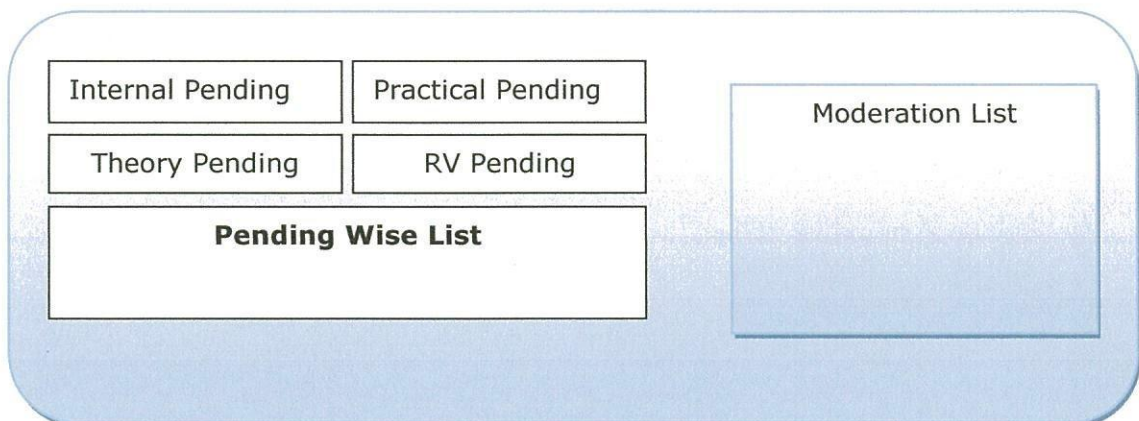

- In the above form, we recognize not only bubbles we do it for hand written Digits also, so that cross verification between hand written and bubbled can be done there itself.
- We recognize two hand written zones and one bubble zone, if three zones returns same marks, there is no need to verify
- If it fails to recognize same marks from three zones, we provided OMR on screen verification using this user has to enter Marks written/bubbled manually.
- By using OMR onscreen verification there is no need to search and pick physical sheet once scanned.
- By recognizing Hand written zones, there would be a provision to cross verification of recognized data, which can reduce manually verification time, up to the maximum.

RESULTS MODULE:

The Above Structure defines the forms and reports in Result Module.

➤ **Moderation:**

In the above forms appears the pending internal, practical and theory marks list of registration numbers and paper code.

➤ **Result Process:**

COURSE WISE PERCENTAGE BRANCH WISE PERCENTAGE SUBJECT WISE PERCENTAGE FAILURES LIST

5 MODERATION RESULT PROCESS

- The above form appears the result processing for required month and year (Ex: Nov-2016), which is already created at exam master.
- If there is any moderation we do in this form (for Individual semester's only).
- We can get reports of course and branch wise percentage, subject wise percentage, failure list.

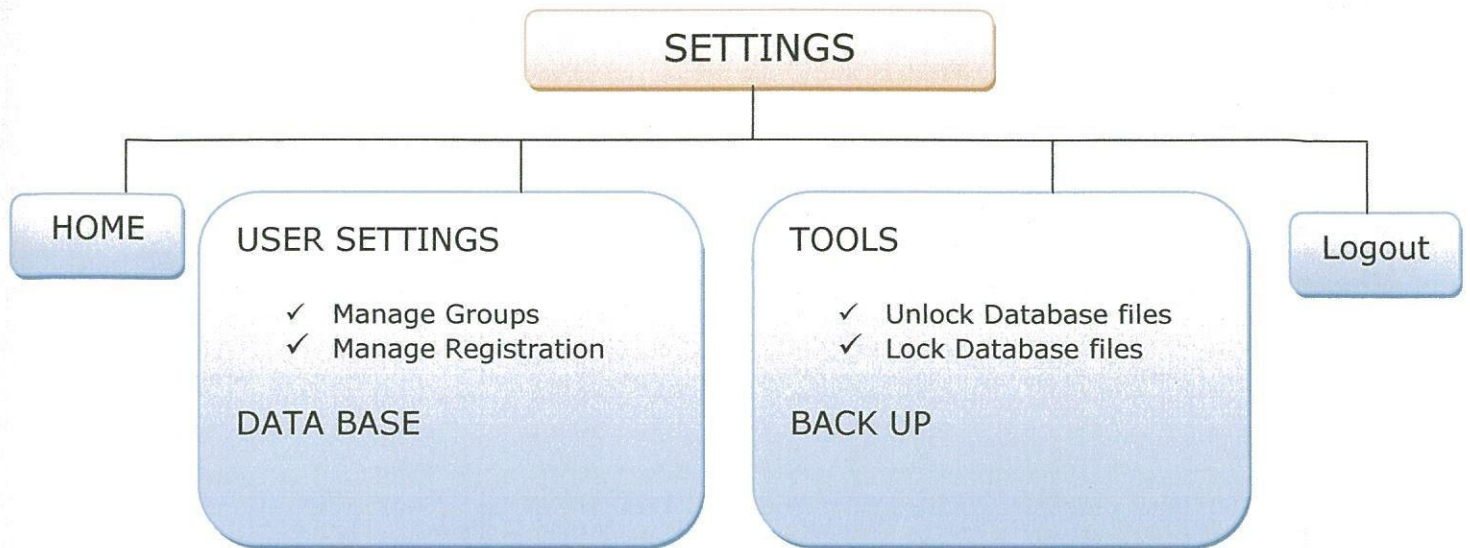

➤ **Student History:**

Student Details with Captured Photo

Year and Semester Wise Exam papers List

The above form appears the exam history of the student.

SETTINGS MODULE:

The users who have an Admin Rights so that they can access the user rights, and can access the lock and unlock the database and also get the data backup.

Library:

➤ Books Issue and Returns:

The screenshot displays the 'Issues And Returns' module in the LBRCE ERP system. The header shows the college name and the current year (2020-2021). The main content area is divided into two sections: 'Book Details' and 'Member Details'. The 'Book Details' section shows a table with one entry:

ACCESSIONNO	Book Title	Author	Status
17521	Theory and Problems of Basic Circuit Analysis	G.Malley, John	Available

The 'Member Details' section shows the following information:

- ID: 17761A0555
- Member Group: EZSCHOOL
- Name: VEERAGANDHAM BHARGAV
- Course: 01-B.Tech
- Branch: 05-COMPUTER SCIENCE AND I
- StudyingYear: 4
- Fine: 0
- Paid: 0
- Balance: 0

Buttons at the bottom include 'ISSUE', 'CLEAR', 'Reprint Transaction Receipt', and 'Reprint Fine Receipt'. The footer indicates '2017 © ERP by D Base Solutions.'

➤ Book Search:

The screenshot displays the 'Book Search by' module in the LBRCE ERP system. The search criteria are set to 'Subject' with the value 'Java'. The search results area is currently empty. The footer indicates '2017 © ERP by D Base Solutions.'
