### Minutes of 3<sup>rd</sup> IQAC meeting held on 21-06-2014 at 12.30 P.M

Chairman, IQAC has welcomed the members of IQAC to the 3<sup>rd</sup> meeting scheduled at 12.30 P.M.

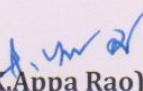

**Results Analysis:** Chairman, IQAC has presented the pass percentages in all the subjects of all the departments. The subjects in which the pass % is less than 75% have been noted by the corresponding HoDs. They were advised to take the required corrective measures to improve the pass percentage. It is decided to have an objective of at least 85% of students in a batch should complete the Graduation within 4 years only.

**NBA Accreditation:** The self assessment reports (SAR) for NBA accreditation have been prepared by 5 departments (EEE, ECE, CSE, IT & MECH) are considered. It is decided to apply for NBA accreditation for all these five B.Tech. programs this year.

**Curriculum Design - R14 Regulations:** R14 draft regulations are verified for the expected improvements. The required specifications of COs, POs and mappings have been accepted. The other improvements in terms of number of laboratory courses, value addition courses, wider range of electives have been found to be satisfactory. It is decided to adapt R14 regulations from this academic year at LBRCE.

**Certification programs and workshops:** Chairman, IQAC has requested all the departments to quantify the number of certification programs and workshops to be conducted by each department for the benefit of students so that it adds to their employability.

**Research lab establishment:** The college has already established 5 advanced research labs in various departments to encourage R&D activity. It is decided to add one more lab in this year.

### Minutes of 4<sup>th</sup> IQAC meeting held on 20-12-2014 at 12.30 P.M

Chairman, IQAC has welcomed the members of IQAC to the 4<sup>th</sup> meeting scheduled at 12.30 P.M.

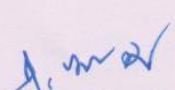

**Results Analysis :** Chairman, IQAC has presented the pass percentages in all the subjects of all the departments. The subjects in which the pass % is less than 75% have been noted by the corresponding HoDs. They were advised to take the required corrective measures to improve the pass percentage. It is decided to have an objective of at least 85% of students in a batch should complete the Graduation within 4 years only.

**Overview of OBE implementation:** The attainment levels of COs & POs are reviewed and corresponding modifications are discussed. Chairman, IQAC has emphasized the importance of proper implementation of OBE in view of NBA accreditation process.

**Choice of BOS members:** Chairman, IQAC requested all the departments to note the contributions of BOS members in the curriculum design and requested to make suitable choices for including new members from leading institutions like IITs and NITs.

**CO modifications and assessment procedure modifications:** As part of OBE implementation it is necessary to modify the assessment procedures or COs specifications if attainment levels are not adequate in specific subjects. All the proposed modifications have been reviewed.

**Research proposals:** College has completed four major projects and five major and three minor projects are ongoing right now. It is decided to make at least five new proposals this year.
