DEPARTMENT OF INFORMATION TECHNOLOGY

Report for Two days workshop on "Chat bots Using Python"

- Event Type : Workshop
- Date / Duration : 07/08/2020 to 08/08/2020, Two Days
- Resource Person : SINGAMSETTY SAI TEJA
- Name of Coordinator(s): Dr. B.Srinivasa Rao, Mr. K.Raviteja
- Target Audience : Third Year Students (18 Batch)
- Total no of Participants : 63
- Objective of the event : To extend students knowledge on the highly used agents i.e., "Chat bots" and how they are designed using python.
- Outcome of event : Total 63 students participated and gained knowledge on what the chat bots are, the role of chat bots in our daily life and how the chat bots are developed.

Description / Report on Event:

This workshop is an attempt to let the students gain knowledge on "CHAT BOTS". As a part of this workshop students got an insight of what chatbots are, the real time examples of where the chatbots are used, history behind the development of chatbots and how those are designed. The workshop led students to know about Chatbot development using python, and students experienced a hands-on session of building Interactive chatbots.

Feedback / Suggestions: Suggested to organize these kind of workshops regularly.

A 2-Day
Workshop on
**Chatbot Development
using python**
