**Alumni Interaction report**

One of the disguised alumni Mr. **G. SREENU., Technical Officer, Indian Space Research Organization (ISRO), Bangalore**, interacted with first year and final year Mechanical Engineering students towards **Career Guidance**. He motivated the students regarding the huge opportunities available for Mechanical graduates in core sector such as **BHEL, NTPC, ONGC, HAL, ISRO, DRDO, GAIL, HPCL, BPCL ..etc.** and covered the whole recruitment process in these organization in simple manner. Also, he delivered about the overview of **ISRO** and its centres such as ISAC, SHAR, VSSR and SAC including activities, objectives and careers for the fresh graduates. Finally, valuable suggestions are given for the students who interacted after the completion of his talk on “**Career Guidance**”. In this Alumni interaction program, Dr.S.Pichi Reddy, HoD, expressed his happiness about the career guidance given by the alumni to the Mechanical students and also mentioned that these kind of activities will be regularly planned for the students. Mr. V.Dhana Raju, Alumni Co-ordinator and senior faculty of the department are presented in the alumni interaction activity.

### **Guest Lecture Report on**

### **“Career guidance and Hyundai work experience”**

Event Type : Guest Lecture (**Alumni interaction**)

Date / Duration : 15/09/2018/ 2hours (9 AM to 11 AM)

Resource Person : **Mr.S.Sri Krishna Kasyap (07761A0347), Assistant Manager, Hyundai Motors PVT LTD, Hyderabad**

Name of Coordinator : **V.DHANA RAJU**

Target Audience : Third Year Mechanical Engineering Students

Total no of Participants: 84

Objective of the event : To provide awareness on Merchant Navy and Career Opportunities for the students.

Outcome of event : Students are familiar with the various steps and courses involved in getting a bright career in Automobile field.

Feedback / Suggestions: Students expressed their happiness and they requested to arrange these kind of events more in future.

Description / Report on Event:

The distinguished alumni **Mr.S.Sri Krishna Kasyap (07761A0347), Assistant Manager, Hyundai Motors PVT LTD, Hyderabad.**, interacted with all third year Mechanical Engineering students about the “**Career guidance and Hyundai work experience**”. He addressed the key responsibilities of mechanical engineer in Hyundai motors organization. The various steps and courses involved in getting a bright career in Automobile field are explained in detail for the students. Also, he delivered about the overview of Hyundai recruitment process and its career growth as design trainee, Assistant Engineer, Senior Engineer, Team leader, Assistant Manager and deputy manager. Finally, valuable guidance is given for the students who interacted after the completion of his talk on “Career Guidance”. In this Alumni interaction program, Dr.S.Pichi Reddy, HoD, appreciated the alumni Mr.S.Sri Krishna Kasyap for his useful presentation and also career guidance for the students. Mr. V.Dhana Raju, Alumni Co-ordinator coordinated this alumni interaction activity.

### **Report of Alumni Meet**

**(ME-2005 Pass Out Batch)**

**Held on 23<sup>rd</sup> Dec, 2018 at 10:00AM**

#### **Background:**

Department of Mechanical Engineering and LBRCE Alumni Association jointly conducted the Alumni Reunion of 2005 pass out of Mechanical Engineering graduates on 23<sup>rd</sup> Dec, 2018 at LBRCE campus. Personal mails were sent to the Alumni two month in advance and to reach maximum number of alumni we also placed the invite on Face book and whatsapp group.

#### **Alumni Meet:**

The session commenced in ME Department at 10 AM with the registration of the alumni of 2005 batch students. The total number of students attended this alumni reunion of 2005 pass out batch was 22 members.

Addressing on the occasion of reunion of alumni of the department, Prof Dr.S.Pichi Reddy, HOD underlined and praised the achievements of Alumni of Mechanical Engineering in all spheres of life. He felt that it was matter of great pride for LBRCE that its Alumni are holding positions of responsibility in various Government organizations, Private sector, Academic Institutions. He praised their contribution towards the growth of their Alma Mater and emphasized the need for further strengthening the linkage between the Alumni and current students. He also revealed the major achievements of the department in the past 13 years such as NBA and NAAC accreditation, R&D research centre, sponsored projects and student achievements. etc.

He told them that they are the valued ambassadors of LBRCE and they should continue their association with ME Department. Later, some alumni members shared their experience as a student in LBRCE and their present experience in their own organizations. They were also very much interested in attending these kinds of interactive sessions with the department faculty and also willing to interact with the current students. It is then decided to strengthen the link between the current students and alumni for their support to current students in the area of training, placement, career counselling and any other help.

The following points were discussed and resolved

1. It is resolved to improve the placements in core areas of the program.
2. Faculty should motivate and see that maximum no of students attempt the gate exam and get qualified with proper guidance & help.
3. Care should be taken to motivate all students to attend the training classes, technical fests and association activities regularly.
4. Faculty should motivate the students at the beginning for the software/hardware jobs & job opportunities in the core companies.
5. To arrange more seminars, debates, workshops on present trends in technology. Also to arrange cultural and social welfare programs.
6. To arrange teaching and training classes to the students studying in the college and also to the students to upgrade technical and general skills.
7. To upgrade the website for dynamic Alumni database.

Mr. Anil Raju, Alumni coordinator of LBRCE delivered the Vote of Thanks. Dr.V.Dhana Raju, Alumni coordinator of ME coordinates the event successfully. Later, snack break and alumni were interacted with the faculty and staff.

**Feedback:**

Alumni's were very happy as the alumni association was organizing interactive sessions through which they can meet their friends, teachers and share their experience with them. They were also happy to see the development of the college.

**Lunch: Canteen, 12:30 pm.**

**Post Meet Activity:**

Mails were sent to the Alumni with details and group photos. In response to the appeal made to support the forthcoming event, few of the Alumni assured that they will participate.

### **Alumni Meet-2019 Invitation**

Dear Alumni

You are cordially invited to attend the Alumni meet that will be held on **9<sup>th</sup> February 2019** at our College campus.

We are expecting Alumni of all batches to participate in the meet. Since many of you have been away from this place for many years, it will be wonderful to see old friends after long time and faculty staff, meet new people in the business community and network. It's a great opportunity to interact with your batch mates and relish & refresh your past memories.

You are our valued ambassador and we would want your continued association with the LBRCE Group. We hope for a positive response.

Time: 10.00 am

Date: 09 February 2019.

Venue: LBRCE ADMIN BLOCK

Thanks & Regards,

Dr. S. Pichi Reddy,

Head of the Mechanical Engineering Department,

Contact Number: 9440440584.

Mr. Dr.V.Dhana Raju,

Alumni Coordinator,

### Report of Alumni Meet

Held on 09<sup>th</sup> Feb, 2019 at 10:00 AM

#### Alumni Meet:

The session commenced in ME Department at 10 AM with the registration of the alumni.

Speaking on the occasion, Prof Dr.P.Vijay Kumar, Incharge-HOD underlined and praised the achievements of Alumni of Mechanical Engineering in all spheres of life. He felt that it was matter of great pride for LBRCE that its Alumni are holding positions of responsibility in various Government organizations, Private sector, Academic Institutions. He addressed the gathering about the Vision, Mission, PSOs and POs of the department. Also, he presented about the achievements of the department like NAAC and NBA accreditation, R&D projects, and Student achievements. Also, he specifically pointed out the placements, which is to be strengthen with the help of Alumni and received the valuable suggestions from the Alumni in terms of curriculum, student projects, industry expectations and latest technologies used currently in the industries. He told them that they are the valued ambassadors of LBRCE and they should continue their association with ME Department. Later, some alumni members shared their views. It was decided to strengthen the link between the current students and alumni for their support to current students in the area of training, placement, career counselling and any other help. The student alumni relations cell is need to be strengthened for the benefit of student community in future. Some of the alumni are interacted with the current third year and second year students about their experiences and the industry expectations from the fresh graduates.

The following points were discussed in the interactive session of alumni

1. It is resolved to strengthen the relation between the current students and the Alumni through the Alumni cell as well as student relation cell of the department.

2. Alumni are interested in helping of improvement of the placements in core areas of the program.
3. To upgrade the website for dynamic Alumni database.
4. To help the poor students through the contributions from the eminent alumni.
5. Care should be taken to motivate all students to attend the training classes, technical fests and association activities regularly in order to mould the students to improve overall interpersonal skills.
6. To provide guidance to the young engineers in their endeavour for better employment and higher studies. To arrange seminars, debates, workshops on present trends in technology.
7. To arrange teaching and training classes to the students studying in the college and also to the students to upgrade technical and general skills.

Dr.V.Dhana Raju, Alumni coordinator, delivered the Vote of Thanks. This was followed by snack break and faculty and current students were interacted with the alumni. The faculty members and staff of the Department attended the program.

**Feedback:**

Alumni's were very happy as the alumni association was start and they can meet their friends, teachers and share their experience with them. They were also happy to see the development of the college.

**Lunch: Rose hall, 1:10 pm.**

**Post Meet Activity:**

Mails were sent to the Alumni with details and group photos. In response to the appeal made to support the forthcoming event, few of the Alumni assured that they will participate.
