

## LAKIREDDY BALI REDDY COLLEGE OF ENGINEERING

## (Autonomous)

L.B.Reddy Nagar, Mylavaram – 521 230.Andhra Pradesh, INDIA Affiliated to JNTUK, Kakinada & Approved by AICTE New Delhi Accredited by NBA, New Delhi & certified by ISO 9001:2015 DEPARTMENT OF **MECHANICAL** ENGINEERING

## **Details of NPTEL Certified Faculty in July - Oct 2017 Examinations**

| S. No | Name of the Dept.         | Elite+ Gold | Elite | Successfully<br>Completed | Total No. of Courses<br>Completed | Total No. of Faculty<br>Certified |
|-------|---------------------------|-------------|-------|---------------------------|-----------------------------------|-----------------------------------|
| 1     | Mechanical<br>Engineering | 2           | 12    | 10                        | 24                                | 20                                |

## List of NPTEL certified faculty in July & Oct 2017 Examinations

| S. No | Name of the Faculty | Designation        | Name of the course                          | Grade                  | Toppers                     |
|-------|---------------------|--------------------|---|------------------------|-----------------------------|
| 1     | Dr.P.Vijay Kumar    | Professor          | Laws of Thermodynamics                      | Successfully Completed |                             |
|       | Dr.P.Ravindra Kumar | Professor          | Computational Fluid Dynamics                | Elite                  |                             |
| 2     |                     |                    | Refrigeration and Air-conditioning          | Elite                  |                             |
|       |                     |                    | Energy conservation and waste heat recovery | Successfully Completed |                             |
| 3     | J.Subba Reddy       | Assoc. Professor   | Computational Fluid Dynamics                | Successfully Completed |                             |
| 3     |                     |                    | Introduction to Research                    | Elite                  |                             |
| 4     | Dr.M.Pulla Rao      | Assoc. Professor   | Refrigeration and Air-<br>conditioning      | Elite + Gold           | Topper of 1% in this course |
| 5     | V.Dhana Raju        | Sr.Asst. Professor | Refrigeration and Air-<br>conditioning      | Elite                  | Topper of 5% in this course |

| 6  | S.Rami Reddy                    | Asst. Professor | Laws of Thermodynamics                      | Successfully Completed |                             |
|----|---------------------------------|-----------------|---|------------------------|-----------------------------|
| 7  | K.Lakshmi Prasad                | Asst. Professor | Laws of Thermodynamics                      | Successfully Completed |                             |
| 8  | K.Somasekhar                    | Asst. Professor | Laws of Thermodynamics                      | Successfully Completed |                             |
| 9  | G.Kartheek                      | Asst. Professor | Introduction to Research                    | Elite + Gold           | Topper of 5% in this course |
|    |                                 |                 | Nature and Properties of materials          | Elite                  |                             |
| 10 | B. KAMALA PRIYA                 |                 | Laws of Thermodynamics                      | Successfully Completed |                             |
| 11 | D. MALLIKHARJUNA<br>Rao         |                 | Refrigeration and Air-<br>conditioning      | Elite                  |                             |
| 12 | P. THARUN SAI                   |                 | Refrigeration and Air-<br>conditioning      | Elite                  |                             |
| 13 | J.V SOMIREDDY                   |                 | Manufacturing of Composites                 | Elite                  |                             |
| 14 | K.N.D.Malleswara<br>Rao         |                 | Total Quality Management – I                | Elite                  |                             |
| 15 | T VENKATESWARA<br>RAO           |                 | Strength of materials                       | Successfully Completed |                             |
| 16 | RAVUTLA PRAVEEN<br>KUMAR        |                 | Fundamentals of manufacturing processes     | Elite                  |                             |
| 17 | KOTHARI<br>VENKATAVISWANA<br>DH |                 | Engineering fracture mechanics<br>Certified | Successfully Completed |                             |
| 18 | A NAGESWARA RAO                 |                 | Applied Ergonomics                          | Elite                  |                             |
| 19 | SANDEEP KUMAR<br>PENUGONDA      |                 | Applied Ergonomics                          | Elite                  |                             |
| 20 | UDAYA LAKSHMI<br>BONDADA        |                 | Fundamentals of manufacturing processes     | Successfully Completed |                             |
