#### **CERTIFICATE**

We are glad to inform you that kolanti sandeep from LAKI REDDY BALI REDDY COLLEGE OF ENGINEERING has successfully completed the internship program at Brahmastra Aerospace Systems from 19/09/2022 - 19/10/2022

During the internship, the candidate was exposed to various activities and discussion in the internship division, the candidate also closely worked as a part of the Project trainee programme and the candidate successfully completed the role of project trainee entitled as Study of Rockets and feasibility of future technologies at Brahmastra Aerospace Systems.

We found the candidate to be extremely inquisitive and hard working. The candidate was much interested in learning the functions of our core division and also willing to put best efforts to understand the subject and willing to work towards creative thinking. The candidate worked in various software and met the objectives of the project.

The candidate's association with us was very fruitful and we wish him all the best in his future endeavours.

#### **SUB: INTERNSHIP COMPLETION LETTER**

We are glad to inform you that Mr. T P Satya Sai Tarun has successfully completed his Internship at M/s. Thermal Systems (Hyderabad) Pvt Ltd, from 25.6.22 to 24.7.22.

During his internship, he was exposed to the various Manufacturing activities in Shop floor.

We found him extremely inquisitive and hard working. He was very much interested to learn the functions of Manufacturing division and also willing to put his best efforts and get into the depth of the subject to understand it better.

His association with us was very fruitful and we wish him all the best in his future endeavors.

#### Dear G SAI PANINDRA,

In reference to your application we would like to congratulate you on being selected for internship with Avishkar Tech Solutions based on AUTOCAD Internship. Your Internship is scheduled to start effective for a period of 45 days.

Your Internship Will start from 15-08-2022 and will completed by 30-09-2022. All of us at Avishkar TechSolutions are excited that you will be joining our team!

As such, your internship will include training/orientation and focus primarily on learning and developing newskills and gaining a deeper understanding of concepts through hands-on application of the knowledge you learned in internship.

The project details and technical platform will be shared with you on or before commencement of Internship.

Again, congratulations and we look forward to work with you.
