## Brief Report:

LBRCE NSS Unit conducted a massive rally on the eve of World Earth Day on 22-04-2016. Students displayed the play cards and shouted the slogans. Dr.E.V.Prasad, started the rally, this rally was moved on the campus roads finally reached to Admin Block. Dr.E.V.Prasad addressed the gathering and expressed that World Earth Day observance was started to celebrate as an annual event to get national support in order to better take care of the environmental safety by solving its issues. Our Earth is the only planet in the Universe where life is possible till date. It is very necessary to maintain the natural assets of the earth in order to continue the life on the earth.

Mr.P.Ashok Reddy delivered about the earth in the words of the rush of the crowd, the most intelligent creature of the God called human is slowly losing its humanity and forgot to take care of the planet that gave it life and started using its resources very ruthlessly. The 22nd of April has been marked as an Earth Day to make the human race get aware about the importance of their planet.
