**Name of the Program: Vanam-Manam (Tree Plantation program)**

**Date of the Program: 07-07-2017**

**Activity Report:**

“Vanam-Manam - (Tree Plantation program)” was conducted by the NSS Unit, in LBRCE on 7<sup>th</sup> July, 2017. This programme was planned in a way to bring in awareness among the students and the faculties of LBRCE. The programme was initiated ceremoniously by lighting the lamp by Dr.K.Appa Rao, the Principal of LBRCE. He also gave an insightful speech on societal responsibility towards protecting the earth against global warming by planting saplings on all auspicious days. He also stood exemplary to all the students and faculties on campus by planting a sapling himself. Several competitions were conducted on this topic and prizes were distributed. The volunteers along with Mr.P.Ashok Reddy, Programme Officer, NSS Unit, LBRCE, and a few faculties went on a procession showing placards and voicing slogans along all the roads and lanes in the village. About 420 saplings were planted on the campus of LBRCE. The response was tremendous and the message reached everyone.
