(Accredited By NAAC and NBA, ISO 9001:2015 Certified Institution)

Affiliated to JNTUK)

NSS UNIT

Programme Name : Awareness Program on Fire Safety Measures

Date : 06-09-2018.

Activity Report

As part of the Activities under the NSS unit of LBRCE, an awareness programme on **Fire Prevention Techniques & Safety Measures** has been organized on 06-09-2018. The Firemen from District Fire Station, Vijayawada have acted as resource persons and they have demonstrated the usage of fire prevention equipment and explained precautionary steps that are to be taken when fire accident occurs. From this awareness programme, the faculty and the students of LBRCE were benefited. During this awareness camp, the experts from Vijayawada and Mylavaram Fire station have enlightened all the participants through a demo on the usage of:

- Defuse Trip Purpose Nozzle
- Revolving Batch
- Hand Control London Batch
- Precautions during the accidents caused by mishandling of Gas and Oil pumps
- Resolving breathing problems of the victims and saves their lives
