Blood Group checking was conducted for First Years by the NSS Unit, in LBRCE in collaboration with Red Cross Society, Vijayawada on 19-09-2018. This programme was planned in a way to bring in awareness among the students and the faculties of LBRCE, about helping the society in which we are the part and parcel. The programme was initiated ceremoniously by lighting the lamp by Dr.K.Appa Rao, the Principal of LBRCE. He also gave an insightful speech on societal responsibility towards mutually helping one another and being responsive to others call for help. Over 1000 students got their blood checked for grouping. The volunteers along with Dr.P.Ashok Reddy, Programme Officer, NSS Unit, LBRCE, and a few faculties were responsible for making this event successful. The response was tremendous and the message reached everyone.
