Affiliated to JNTUK)

## NSS UNIT

**Programme Name : Go-Green**

**Date : 27-12-2018.**

### **Activity Report**

GO-Green and Save the Rivers Program was conducted by the NSS Unit, in LBRCE on 27<sup>th</sup> December, 2018. This programme was planned in a way to bring in awareness among the students and the faculties of LBRCE to prove the need for planting saplings and help conserve water. The programme was initiated ceremoniously by lighting the lamp by Dr.K.Appa Rao, the Principal of LBRCE. He also gave an insightful speech on societal responsibility towards protecting the earth against global warming and water conservation by planting saplings on all auspicious days. He also stood exemplary to all the students and faculties on campus by planting a sapling himself. Several competitions were conducted on this topic and prizes were distributed. The volunteers along with Dr.P.Ashok Reddy, Programme Officer, NSS Unit, LBRCE, and a few faculties went on a procession showing placards and voicing slogans along all the roads and lanes in the village. About 420 saplings were planted on the campus of LBRCE. The response was tremendous and the message reached everyone.
