

NSS UNIT

Activity name: Health Awareness Program on Changing Scenario of Seasonal Diseases

Date of the Program: 07-08-2019

Place: LBRCE Campus

Activity Report:

LBRCE NSS conducted an Awareness Program on “Changing Scenario of Seasonal Diseases” on 7th August, 2019 at LBRCE in association with department of M.B.A. This programme was planned in a way to bring in awareness among the students and faculty on awareness about Changing Scenario of Seasonal Diseases. The programme was initiated by Dr.K.Appa Rao, the Principal of LBRCE with an informative speech on the need and ways to be healthy. Dr.G.Hari Prasad, M.S., FMAS, General Surgeon of Mahadev Hospitals was the chief guest of the program. Dr.G.Hari Prasad addressed the gathering and instructed the students about seasonal diseases. He also advised the students about changing scenario of the diseases.

Dr.P.Ashok Reddy, Programme Officer, NSS Unit, LBRCE, and a few faculties helped organizing this programme.
