As per the directions of MHRD, AICTE and JNTUK NSS Cell, LBRCE NSS Unit conducted “**One Student-One Tree**” on 16-08-2019 in Lakireddy BaliReddy College of Engineering (Autonomous) , Mylavaram. The campaign titled ‘one student, one tree’ was initiated by Union Human Resource and Development (HRD) Minister, Ramesh Pokhriyal Nishank through which he intends not only to spread awareness about environmental challenges but also plans to plant a million saplings with the help of school students. Sri.L.Prasada Reddy garu, Vice-Chairman highlighted the importance of planting saplings in everyone’s life and expressed the idea of a green and healthy environment with an aim to plant one million trees in the colleges and villages across the nation. Sri.G.Srinivasa Reddy garu, President mentioned the government’s focus on saving water by recycling and reusing it through the initiative, this kind of programme increases the green cover across the nation and improves the responsibility of the student towards Greenery. Dr. K. Appa Rao, Principal addressed the gathering about Plantation Program, he advised that planting trees involving students is a great idea as it helps in Environmental Conservation at a young age that lasts for life time. A good number of plants were planted at college premises and students distributed the plants to staff, faculty and co students.

A Total of 253 students from all the branches took part in this program. NSS Programme Officer, Dr. P. Ashok Reddy coordinated the programme along with all department NSS in charges.
