Affiliated to JNTUK)

NSS UNIT

Name of the Program : National Education Day

Date of the Program : 11-11-2019

Place: LBRCE Campus

Brief Report

On the occasion of National Education Day, November 11, 2019 a commemorative program was held at LBRCE campus on the eve of birthday of Bharathratna Maulana Abul Kalam Azad, First Union Minister of Education. The program was inaugurated by Dr.K.Appa Rao, Principal.

In his key note address Dr.K.Appa Rao said 25% of GDP was contributed by Indians for the global power till 1750. He analysed where the world had gone wrong in the second stage of industrialisation and remarked that the Green Revolution was followed by IT revolution. He also rued over the fact that Science and Technology has been neglected, electronic gadgets and other things are being imported which is not a good sign as far as foreign exchange is concerned. He gave the example of China which is good at such things including aerodynamics.

By giving this example of space science he enthralled the audience with his speech as far as achievement in the field of science and technology is concerned. He further observed that basic sciences including Mathematics are being neglected in the present education system and finally reiterated we have not got out of the cradle (the earth). He strongly urged the youngsters to vision something and pursue it relentlessly to achieve the same. While speaking about Mangalayan and Chandrayaan he said the future space colonies for the human being would be Moon and the Mars.

College NSS Unit conducted the program with competitions among the students and distributed the prizes by the Principal. Dr.P.Ashok Reddy, NSS Programme Officer coordinated the program.
