Name of the program : Distribution of Clay-Ganesh Idols

Date: 01-09-2020

Venue: Mylavaram(Mandal),Krishna Dist.

No.of Attendees: 50

Activity Report

On the eve of Vinayaka Chavithi, NSS Unit of Lakireddy Bali Reddy College of Engineering (Autonomous) , Mylavaram. took another initiative towards helping the society with better and healthy environment by distributing 90 Clay-Ganesh Idols on 01-09-2020. During Ganesh Chaturthi usually people use the Idols made of plaster of Paris which cannot dissolve and mix with soil. As a result, it causes water and soil pollution unavoidably as a part of Hindu custom. So, with all the motivation from the college management, NSS Unit of LBRCE lead by Dr.P. Ashok Reddy , Programme Officer took up this task. This activity besides proving the societal and environmental concern, it also helps in socialization and helps fulfilling the social responsibility among the students. Sri K. Timma Reddy, Director (Infra) highlighted the importance of healthy environment and need of public involvement. Sri.S. Kasi Reddy, Finance Manager appreciated the NSS volunteers for their commitment towards society and their fellow beings. A Total of 50 students from all the branches took part in this program. NSS Programme Officer, Dr. P. Ashok Reddy coordinated with all department NSS in-charges and made this programme a grand success.
