### **Activity Report**

LBRCE NSS unit organized clean India Program on 30-10-2021, Dr.K.Appa Rao, principal of LBRCE said to clean and remove all the waste from streets and other public places. Indian cities, towns and villages were once very dirty and unhygienic, causing various diseases and infections. Due to this Habit, the Indians understood the importance of hygiene and overall health. All the motivation from the college management, NSS Unit of LBRCE lead by Dr.P. Ashok Reddy, Programme Officer took up this task. This activity besides proving the societal and environmental concern, it also helps in socialization and helps fulfilling the social responsibility among the students and importance of healthy environment and need of public involvement. Dr. P. Ashok Reddy coordinated with all department NSS in charges and students made this programme a grand success.
