Activity Report

On the eve of Tree plantation on the Occasion of NSS Foundation Day, NSS Unit of Lakireddy BaliReddy College of Engineering (Autonomous), Mylavaram. took another initiative towards helping the society with better and healthy environment by planting the plants on 24-09-2021. Tree plantation is recognised as one of the most engaging, environmentally friendly activities. So, with all the motivation from the college management, NSS Unit of LBRCE lead by Dr.B.Siva hari prasad, Programme Officer took up this task. This activity besides proving the societal and environmental concern, it also helps in socialization and helps fulfilling the social responsibility among the students. Dr. K. Appa Rao, Principal highlighted the importance of healthy environment Trees really are the lungs of the world. Dr.K.Harinadha Reddy, vice- Principal, talks about trees not only provide us with pleasure, food and shelter, they are also essential for life on Earth and their numbers are directly connected to the health of the planet and safety of the environment. the NSS volunteers for their commitment towards society and their fellow beings. NSS Programme Officer, Dr.B.Siva hari prasad coordinated with all department NSS incharges and made this programme a grand success.
