**Date:** 18-10-2025

**Venue:** LBRCE, Mylavaram.

**No. of Attandees:** 90

### **Activity Report:**

As per the orders of the state government, the "Swarna Andhra-Swachh Andhra" program will be held in the month of October, as part of which this Saturday, the local Lakireddy Bali Reddy Engineering College NSS unit and Nature Club organized this month's theme Clean Air Green AP program in the college under the auspices of the "Swarna Andhra-Swachh Andhra" program. As part of this program, college students explained to the students about oxygen and health precautions. On this occasion, the Principal of the college, Dr. K. Appa Rao, said that due to the cutting of trees and forests, the temperatures are increasing drastically without a green and balanced environment, so everyone should plant plants and work for a green and golden Andhra Pradesh in the coming days, and protect the environment by stopping air pollution from vehicles, river waters and industrial waste. Dean Academics, Dr. M. Srinivasa Rao, said that clean air is very important for public health and outlined ways to control air pollution from industries. He said that complete health is possible only through lifestyle, and that by cleaning plastic waste in the college premises, the main goal is to free the society from air pollution. Principal Dr. K. Appa Rao, Dean Academics, Dr. M. Srinivasa Rao, N.S.S. Unit Program Officer Dr. B. Sivahari Prasad, Sri.S. Uma Maheswara Reddy and students participated.
